KEG SYSTEMS

KEGS AND DRAUGHT DISPENSING EQUIPMENT

Keg Systems has been serving the brewing industry since 1995. Over that time, our company has developed a range of products and services to suit the needs of micro and large-scale breweries alike.

We can install micro breweries, including the design and engineering, right down to welding services.

Keg Systems also supplies new and used kegs, as well as being able to overhaul and service your existing kegs and spears. To back up this, we have a large range of keg service tools and parts available.

When it comes to keg cleaning and filling, we offer an extensive range of both manual and automatic equipment. For all your brewery needs call us or visit our website at www.kegsystems.com
