 Mr Edgar Bajona (Canada)

Excellent number of entries and high quality in the ring. All of them had good substance and coat. I found a big number of dogs with light nose colour. Some dogs with relatively big ears. The winners of the various classes and the Challenge Bitch and Dog and puppies represented my preference regarding the Samoyed breed. I was very pleased to judge the breed and to find such quality.

Mr Edgar Bajona (Canada)

It was a pleasure to judge the Siberian Huskies. The number of the entries and quality gave me the possibility to express my preference in this attractive breed. I was looking for, and found, well sized dogs with good body length, well set shoulders and good hindquarters. The heads and expression of the dogs were excellent. The coats correct in quality and movements. The Best of Breed winner had a long stride with good reach, correct head carriage and showed good endurance.
