**7 - STANDARD SOFTFEATHER HEAVY**

I judged the heavy breeds.

First Langshans; winning female of good type.

Australorps; largest section, some showed purple in the feather. Tail coverage was also absent in a few. Winning cockerel and were pullet good examples of the Breed, the cockerel went on to win Best Standard Heavy.

Barnevelders lacked a little in type and lacing.

Light Sussex; good size, but lack condition and wing markings, cockerel was best.

AOC Sussex; still need some work on type.

Wyandottes coloured; again lack size, type and head features; but great to see exhibitors persevering with birds.

White Wyandottes had good presentation and type, but showing signs of a late Show season; also problems with toes rolling. Winning birds in good condition.

Plymouth Rocks a good line up well marked and not much between young males. Females could have been a little larger but well marked. Winning cock went on to be Reserve Large Heavy Softfeather.

Rhode Island: a large class with some good coloured birds but lots of difference in type. Winning cockerel of good type and colour.

Trio classes: Black Australorp, winning two females compliment a very good exhibition male with nice head and tight feathers. All had good tail carriage.

Plymouth Rock again excellent; two females also complimenting the male.

**8 - WATERFOWL OR TURKEY**

I would like to thank the Royal Agricultural Society of Victoria for the invitation to judge this year. I would also like to thank my two Stewards for making my job a lot easier. It is always a pleasure to Judge in Victoria and the competition is always tough. It was no different today. The first section I had to Judge were the light breeds; there were some very nice birds here, with the best light being a Khaki Campbell young duck. There were some very unlucky birds here, being the young Indian Runner Drake who wouldn't Show when required and the young Elizabeth Drake.

Heavy Breeds were next and it didn't get any easier. Some excellent Pekins, Rouens, Cayugas and Silver Appleyards shown here. My winning bird came from this section. Bantams were next, and although only small classes they showed well. Some excellent Mallards, Call Ducks, Silver Appleyards and Saxons were shown. My Reserve bird came from this section.

Only four Geese shown but all nice birds. I also had five Turkeys to Judge with the Old gobbler winning Best Turkey. All in all it was a very hard day, but a very enjoyable one. It was good to catch up with a lot of friends.

## 9 – JUNIORS

The Junior section far exceed my expectation being equal to the top exhibition we see in Northern New South Wales and Queensland. The Champion Junior In Show being an Australorp Bantam cockerel who was shown to perfection. This exhibit would compete very successfully in the open section at any Royal Show in Australia.

In the Reserve Junior position was a Mallard Duck of excellent type and well conditioned for the Show. The Junior Hardfeather bird being the black red Old English Game Bantam this entry again would be very competitive in open competition. I am a firm believer that all experienced Poultry exhibitors have an obligation to the future of the fancy to start out and encourage more Junior exhibitors. This can only be done successfully by supplying top quality breeding stock to new and novice exhibitors at a nominal fee or free of charge.
