10 - EGGS

I am very pleased to be given the position of Judging Eggs at The 2007 Royal Melbourne Show and I was very pleased with the number of Exhibits on Show.

I found on a whole the exhibits were quite good, but I feel that people should, if possible, put a bit more effort into the shape of the exhibit as it is very difficult to find in a plate of six eggs, six that are of the same shape. As well as this the colour of every exhibit, should be the same colour.

The colour of an egg of each variety is of much importance in making the winning selection. I found today that I was very impressed with the Turkey egg which received Champion Egg of Show. The Land fowl was the best of the rest and were matched very well in colour and shape.

Again I would like thank those responsible for selecting me to Judge
