Our Ref:

MESSAGE FROM THE PREMIER

I would like to extend my congratulations to Grand Ridge Brewery for its Supershine and Supershine Vintage, the joint winners of the 2005 Premier's Trophy for 'Best Victorian Beer'. This honour recognises Grand Ridge Brewery's Supershine and Supershine Vintage as the best quality premium beers produced by a Victorian-based brewer at this year's Australian International Beer Awards.

I note with interest that national premium beer purchases have grown approx 20% pa over the past five years, and now account for approximately 10% of all beer sales. It is clear that consumer tastes have increasingly shifted towards innovative, premium beers. The Victorian Government is keen to support this growth area of the beer market and the micro-brewers who are so well represented here.

As patron of the Australian International Beer Awards, I thank The Royal Agricultural Society of Victoria Limited and The University of Ballarat for organising this important event, and I wish Grand Ridge Brewery every success with its award-winning Supershine and Supershine Vintage.

HON STEVE BRACKS MP
Premier of Victoria

CITY OF BALLARAT

Ballarat is Australia's Premier Provincial City. Ballarat has a population of 87,000 (growing at 1.4%) and is situated in a catchment of 150,000. Ballarat has direct links to key infrastructure such as the airports and the ports via non tolled freeways. A historic City, Ballarat is well serviced by first class educational and recreational facilities, as well as having world class hospitals.

In 2003 Ballarat was identified in the National Economics, *State of the Regions Report*, as the number one City in Australia that was likely to experience employment and investment growth in the next five years. In August 2005 BRW Magazine titled the *State of the States, Best State and Boom Towns* Ballarat was the only Victorian region that identified as being a significant area of development and continuing prosperity. Other regions identified included Gladstone, the Sunshine Coast, Newcastle and Shellharbour. In 2004 the Australian Industry Group released the *Regional Business Competitiveness Index Report*, that listed Ballarat as second only to Adelaide as a centre in which to conduct cost effective business.

Ballarat is continuing to be Australia's Premier Provincial City because of its mix of world class companies, its flexible labour force and the high level of lifestyle and amenity that is available to residents. The City of Ballarat is seeking to support existing companies to expand and attract new companies to Ballarat, by implementing policies and programs that assist with business relocation, business expansion and resident attraction. (www.businessballarat.com) The City of Ballarat does this in conjunction with other key stakeholders such as the State and Federal governments and universities.

The City of Ballarat is keen to facilitate additional business development and has a focus on supporting manufacturing, the traditional industrial base of Ballarat. In the next decade the City of Ballarat is seeking to expand and diversify the industrial activity in Ballarat and welcomes new investment into first class business and industrial parks.

MESSAGE FROM THE LORD MAYOR OF MELBOURNE

The City of Melbourne is proud to support the 2005 Beertopia Autumn Beer Festival and the Australian International Beer Awards, the third largest annual professional beer competition in the world.

Melbourne is a fitting location for the Awards, as the home of Australasia's largest brewery and a burgeoning micro-brewing industry. Melbourne is also a community that matches cosmopolitan tastes with a willingness to explore something new, making for an enthusiastic attendance at the Festival.

With more than 770 entries from more than 33 countries, this year's Australian International Beer Awards will provide the judges and discerning Festival patrons alike, with much to enjoy.

On behalf of the City of Melbourne, I congratulate the Australian International Beer Awards' co-convenors, the Royal Agricultural Society of Victoria and the University of Ballarat, on their continued success in highlighting brewing excellence.
