PENNY BOOTHMAN International Judge, United Kingdom

Penny started her career in wine with a part-time job in an off-licence to help pay her way through art college. Then came a brief stint as a trainee manager for a chain of London wine bars, but Penny quickly decided that the on-trade wasn't for her and moved to New Zealand to study and work in viticulture and winemaking for a year. After travelling back through the wine regions of Australia and California, Penny spent 2 years with a small independent importer in the UK.

The studies continued and Penny quickly got through the WSET certificates and Diploma (in one year), and was awarded a Vintners' Company Travel Bursary and The Austrian Wine Academy Bursary before embarking on the Master of Wine programme, from which she was awarded The Waitrose Scholarship and The Reh Kendermann Bursary (Penny's MW studies are on-going).

At the same time Penny was the recipient of The Geoffrey Roberts Award 2003, and these elements combined to necessitate an extended period of travel through Southern France, Northern Spain and Central and Eastern Europe and The Balkans.

An investment in the future of the

Australia's fine wine specialist sponsors the Royal Melbourne Wine Show

At Vintage Cellars, Australia's fine wine specialist, we show off great wine, every day. So we're totally committed to supporting Australia's unique wine show system, which develops and promotes Australian winemaking. We believe that Shows play a vital role in rewarding excellence and encouraging a great diversity of wine styles from makers large and small throughout Australia. Wine shows provide

publicity for winners and give consumers a valuable quality guide.

We encourage the Royal Melbourne Wine Show to continue to innovate, to lead our fast moving industry and deliver credible results to exhibitors and consumers.

In this spirit, Vintage Cellars is delighted to sponsor the 2005 Trophy for Best White Commercial Section - Classes 61 and 65.

Our Ref:

MESSAGE FROM THE PREMIER

We celebrate so many things here in Victoria, from sport to theatre to business achievements, and universally we now celebrate with wine.

Victoria is home to more wine regions than any other Australian State, and the last ten years have witnessed a great expansion of the industry.

The number of wineries has leapt from just over 200 to more than 560 today. Vineyards have tripled in area. Exports of Victorian wine have risen by more than \$435 million annually. This rate of growth is remarkable, and the Government is committed to supporting the future growth of our wine industry.

The Victorian Government provides significant support to the industry through the Federation Square Regional Showcase Series, which features a different Victorian wine region each month, Victorian Wine Week, the Exhibition of Victorian Winemakers, the Melbourne Food and Wine Festival and a Taste of Slow. Melbourne also hosted the Great Wine Capitals Global Network Annual Assembly in November last year, and the event provided a welcome opportunity for Victoria to display its outstanding wines to an international audience.

The Royal Melbourne Wine Show is a wonderful opportunity to display the very best wines that Australia offers and celebrate a national industry that generates a staggering \$2.75 billion in exports annually.

The wine industry is one of Victoria's great success stories and we all look forward to enjoying more great quality wines in the years ahead.

I congratulate Shadowfax Wines on winning the 2005 Premier of Victoria's Gold Trophy for the best Victorian white wine with their Chardonnay 2004.

HON STEVE BRACKS MP
Premier of Victoria

**WE CAN
SEND YOUR
BUSINESS PLACES**

We love wine. As well as proudly sponsoring the Royal Melbourne Wine Show, some of Australia's wine makers have asked us to help cultivate their business internationally. So we established a mail order network that delivers product to Singapore, without spilling a drop. How delicious. Just like a good chardonnay, we can send your business places. Call Australia Post on 13 11 18 or visit auspost.com.au

Total Exhibitors 451

NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheets this is divided into:

1. 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate;
2. 7 points for nose; and
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

- 18.5 – 20 = Gold Medal
- 17.0 – 18.4 = Silver Medal
- 15.5 – 16.9 = Bronze Medal

All exhibits are judged "on the blind". Judges do not handle the bottles.

In Melbourne, the judges are arranged into six panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate.

Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers. No exhibitors can be Senior Judges.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

NOTES ON WINE JUDGING

DRY WHITE

Should be in brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full-bodied, medium to high acidity with a fresh bouquet, clean after taste, no lingering sweetness. In the wooded classes, the oak should be in harmony with the vinosity of the wine. Alcoholic strength should be between 8% and 14% by volume.

MEDIUM DRY WHITE

Specification similar to Dry White but with some sweetness not exceeding 1 degree baume.

SWEET WHITE

Should be a brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should exceed 1 degree baume.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruit flavour, but without Muscat character. Colour is generally pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% by volume.

LIGHT BODIED DRY RED

Colour is typically light to medium red. A blue or purple tint may be present. Aroma and bouquet – varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate – soft and light without being thin and rounded in the mid palate. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age, a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet – varietal aroma may occur in varying degrees. It should be fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines, bottle age. Palate should be soft, rounded and generous in mid palate. The body should be medium to full and in balance with the acidity. The finish should be clean, with tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5% by volume.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show Muscat character, but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20.5% alcohol by volume.

MUSCAT

Colour is generally golden to red, with a distinct muscat bouquet and palate. Full bodied and soft and luscious. Strength not to exceed 20.5% alcohol by volume.

TAWNY PORT

Colour is pale red with distinct amber tinge. The bouquet is fruity and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

NOTES ON WINE JUDGING

VINTAGE PORT

Colour deep ruby to light ruby, possibly with slight amber tint, depending on age. Bouquet, fruity and characteristic of bottle aged vintage port. Should not show wood character. Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' after taste of sherry. Strength not to exceed 20.5% by volume.

SHERRY, Amontillado

Colour golden to light amber. Bouquet showing more age than Fino sherry. Palate fuller and softer than Fino with some oak showing through. Finish dry and aromatic with characteristic, 'nutty' after taste of sherry. Strength not to exceed 20.5% by volume.

SHERRY, Oloroso

Colour amber to brown. Bouquet showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

SPARKLING WHITE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with a dry finish. May show slight oak character. Bubbles should be fine and persistent.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.
