NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheets this is divided into:

1. 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate;
2. 7 points for nose; and
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5 – 20 = Gold Medal

17.0 – 18.4 = Silver Medal

15.5 – 16.9 = Bronze Medal

All exhibits are judged "on the blind". Judges do not handle the bottles.

In Melbourne, the judges are arranged into six panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate.

Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers. No exhibitors can be Senior Judges.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1993 and earlier vintages and 85% of the specified variety for later vintages.

Our Ref:

MESSAGE FROM THE PREMIER OF VICTORIA

Victoria can be justly proud of its reputation for producing some of the finest wines in the country. With around 568 wineries in 22 distinct regions - from the cool-climate varieties of the Mornington Peninsula to the big reds of Rutherglen - the Victorian wine industry is a true success story.

Winery tourism is worth \$412 million a year to the State's economy and our wine exports to the USA alone have doubled in the past three years to over \$133 million. The industry is a vital part of our regional economy and will continue to go from strength to strength.

While we should all be proud of these achievements, the success story here in Victoria is being echoed across the country. The Royal Melbourne Wine Show is a unique opportunity to recognise and reward the nation's best wines and wine producers. It was first conducted with 13 entries by the Royal Agricultural Society of Victoria in 1884 and is now the largest and most prestigious wine show in the country - offering the nation's most prized wine award, the Jimmy Watson Memorial Trophy.

The Royal Melbourne Wine Show is a wonderful opportunity to showcase the very best wines that Australia offers and celebrate a national industry that generates a staggering \$2.3 billion annually. It is especially fitting that this pre-eminent event is held in Melbourne - Victoria's capital and Australia's premier 'wine city'.

Melbourne is the only Australian city chosen to be a member of the Great Wine Capitals Global Network, along with Bilbao, Bordeaux, Florence, San Francisco, Cape Town, Porto, Florence and Santiago. Melbourne will be hosting the Great Wine Capitals Annual Assembly in November when over 100 delegates are expected to visit Victoria and experience what we have to offer.

The Victorian Government is committed to supporting the future growth of our world-class wine industry and I personally commend everyone involved for their hard work and professionalism.

I congratulate Blackjack Wines Pty Ltd on winning the 2004 Premier of Victoria's Gold Trophy for the best Victorian red wine in 2004 with their 2002 Blackjack Block 6 Shiraz.

HON STEVE BRACKS MP
Premier of Victoria

Class 13 - DRY WHITE - Chardonnay.

The judging panels were extremely disappointed with the high percentage of poor sample preparation in this class. The judges are very supportive of assessing these wines as an indication of the wines potential, and hence giving the exhibitor the opportunity to observe how their wines perform amongst its peers. However, it is a waste of time for the judges if the wine is grossly out of condition as was the case in at least 10% of all exhibits. To assess the wines potential and give the necessary feedback the exhibitor needs to present their wine in a bright condition, otherwise the feedback has reduced significance. The judges are hopeful that the poor level of performance of the exhibits is not indicative of the attention being paid to Chardonnay in the winery.

Too much oak, or too much lees – few wines show a balance of the two. Interesting contrast of regional styles.

Class 34 - DRY RED - Shiraz.

As expected a very strong class with a range of excellent styles. Pleasing to see a low number of faults. Use of oak is under much better control, especially use of French oak.

For blends and varieties ineligible for classes 33 to 36 (inclusive).

High strike rate for medals, many wines interesting new styles and varieties, mostly well made. Rather than faulty, low pointed wines mostly lacking balance, perhaps poorly conceived blends.
