The Inspector or Chief Steward will classify all entries for colour, and has the power to transfer an exhibit to the class which, in their opinion, should have been entered. The Chief Steward will combine or split classes as he/she sees fit.

The inspection of all Alpacas will take place from 8.00 am on Friday, 26th September.

Alpacas not in their allotted pens and available for inspection at the official times may be disqualified by the Chief Steward. Exhibitors must be in attendance at time of inspection.

NOTE: If there is no IAR tag present in the ear of an exhibit, official Australian Alpaca Association Inc. confirmation, in writing, must be provided by the owner or his/her authorised agent to the Chief Steward during inspection that the ear tag has been recently lost and that a new tag has been ordered and paid for.

The only person or stud eligible to exhibit an animal is the owner listed in the AAA Register or the agent of the registered owner.

The Judge's decision shall be final and has the power of withholding prizes from any Exhibitor not deemed worthy of that prize.

All Exhibitors shall, on the day of the Show, obtain their pen position and class numbers from the Shed Steward. Exhibitor class numbers of the exhibit must be worn and clearly displayed by the handler whilst in the Show Ring and must show age of animal in months.

All handlers showing animals must be competent in the handling of their exhibit, or removal from the Ring may be requested by the Judge. It is recommended that small children not exhibit large animals that they cannot control.

DRESS CODE

All Attendants leading stock in the Judging Ring or on Parade shall wear a White coat and neat attire. The wearing of clean boots or dress shoes is encouraged.

The Chief Steward may disqualify an Exhibitor for incorrect attire.

FLEECES

Fleeces are to be lodged with the Fleece Steward at the Showgrounds by 8.00 am on Friday, 26th September. Judging will commence at 10.00 am on Friday, 26th September. Only one fleece that has been shorn in the 18 months prior to the Show may be shown from any one animal. It is recommended that fleeces be placed in bags, made of satin or similar material, or heavy duty plastic. Plastic garbage bags should be avoided.

All fleeces being shown must be the bona fide property of the Exhibitor.

Exhibitors, when submitting fleeces at the Show, must attach to the fleece, the number supplied for that class (no names).

EXCESS ENTRIES

In the event of more entries being received than can be accommodated, Alpaca entries may be reduced. If necessary the number of Alpacas from any one Exhibitor may also be reduced to a figure determined by the Show Convenor. The Exhibitor shall have the right to nominate the Alpaca(s) to be withdrawn should this reduction be necessary.

MOST VALUABLE FLEECE (HUACAYA)

Any fleece may be entered in this class. Any fleece may also be entered in its standard age group/colour class AND the Most Valuable Fleece Class, provided that it is clearly marked with two separate entries on the entry form, and two separate entry fees are paid. If desired, a fleece may only be submitted for entry to the Most Valuable Fleece Class, or alternatively, it may only be submitted for entry to its usual age group/colour class.

The class will be judged on a commercial basis for overall dollar value of each fleece, based on current prices that can be obtained on local/international markets.

The valuation is calculated taking into consideration - fineness, length, overall excellence (style), faults, yield (impurities) and fleece weight.

No fleece weight annualisation will take place in this class as the fleece is judged solely on how it presents for commercial processing.

CORRECT ANIMAL COLOUR CLASSIFICATION

An Alpaca is to be shown in the appropriate colour class, when it is **predominantly that colour**. Any colour variations will be assessed at the Judge's discretion.

A fancy Alpaca is to be shown in the fancy class if it has an unusual or striking distribution of colour e.g. different colour saddle markings.

A predominantly grey Alpaca (grey, rose grey/roan) is to be shown in a grey class, whether or not it has any other coloured spots present, and any colour variations will be assessed at the Judge's discretion.

Alpacas must be entered into the correct class at their age on the actual day of judging, e.g. Huacayas (Friday 26th September, 2003).
