Regulations Relative to WOODCHOPPING CONTESTS

(The Woodchopping Contests are registered with the Central Victorian Axemen's Association Inc. and held under the guidance of Australian Axemen's Association Inc. Rules).

CONDITIONS

- 101. The rules appearing in this Schedule form part of the Regulations and conditions of entry to an Event at the Show. In the event of any inconsistency between the Regulations and these rules, the Regulations shall prevail to the extent of the inconsistency unless the Regulations provide otherwise.
- 102. Scratchings must be notified to the Woodchop Handicapper by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$50.
- 103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.
- 104. ALL COMPETITORS, must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.
- 105. The contest will be chopped in heats and a final, according to the number of entries.
- 106. All logs and billets will be numbered, and will be drawn for by the Stewards.
- 107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.
- 108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.
- 109. No persons, other than competitors and officials, will be allowed in the arena during the contest.
- 110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.
- 111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.
- 112. Each competitor shall wear long white trousers, white boots or shoes and a singlet or shirt which must be of a colour considered by the Steward-In-Chief to be appropriate to the State in which he resides or appropriate to the particular event in which the competitor is competing.

A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show. Competitors in finals should not leave the arena between end of final and presentation of awards and they must remain in the same uniform.

No advertising matter of any kind shall be displayed or be visible on the wearing apparel of any competitor, without prior approval of the Steward-In-Chief, except that the insignia or Coat-Of-Arms for Countries, States or Association Show Societies, Clubs or other bodies may be worn on the singlet or shirt front subject to the prior approval of the Steward-In-Chief.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

- 114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.
- 115. The Society may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Society. No decisions, directions or determinations made by the Disputes Committee, or the Society for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.
- 116. Competitors must use clamps as supplied by the Society in all Standing Block Events.
- 117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Society reserves the right to re-handicap a competitor before an event has commenced.
- 118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 10.1 and 10.2 of the General Regulations. All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.
- 119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.
- 120. In the Underhand events all axemen must finish on their logs.
- 121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.
- 122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.
- 123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.
- 124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified. The wedger's wearing appeared must conform with regulation 112.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

- 125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log. The wedger's wearing apparel must conform with regulation 112.
- 126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Woodchopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Woodchopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.
- 127. Inscribed Sashes and Ribbons, presented by the Society will be awarded to the first, second and third prize winners of events Nos. 1 to 43 inclusive.
