EXCELLENCE IN AGRICULTURE

 DAIRY GOOD

From Australia, with pride.

Give your product a competitive advantage.

The Australian Grand Dairy Awards symbol is awarded for quality, excellence and innovation. It's a symbol that's awarded to a product only after a panel of 20 technical experts and food professionals have judged it to be the best in its class.

It's a symbol that will give you marketing advantage by adding distinction and recognition to your product. It's a symbol you have to earn by being the best of the best – only 19 are awarded each year.

Is your product good enough? If your product has already won gold or silver at state competitions, such as the Royal Melbourne Dairy Show, it may be eligible for entry to the Australian Grand Dairy Awards.

For more information on product eligibility contact Naomi Crisante at the Australian Dairy Corporation on (03) 9694 3714 or refer to the ADC website at www.dairycorp.com.au.

The Australian Grand Dairy Awards is a joint initiative of the Australian Dairy Corporation and the Dairy Industry Association of Australia.
