Message from

**Mr MARK O'SULLIVAN**

**RASV CEO**

Congratulations to all the trophy winners in the 2012 Royal Melbourne Wine Show.

This year, the Show continues its strong commitment to productive evolution which has seen it remain at the forefront of Australian Wine Shows for 128 years. Committed to advancing excellence in agriculture, and therefore the promotion of excellence in wine making, the ongoing success of the Royal Melbourne Wine Show can be directly attributed to the support of the wine industry, for that we thank you.

We are very proud of the new initiatives and enhancements achieved through collaboration between the RASV team and wine show committee in 2012 and extend our sincere thanks to Committee Chairman Phil Sexton and Chairman of Judges David Bicknell. This year we see the assimilation of trade and buyers into the exhibitor tasting and the introduction of a consumer event on the Saturday following the exhibitor tasting and lunch.

The inclusion of trade and buyers is designed to bridge the gap and create connectivity between distributors, retailers, sommeliers and Australian wine makers. The consumer tasting gives the public an opportunity to taste the medal and trophy winning wines, attend masterclasses and build a deeper understanding and appreciation of our Wine Show.

Other initiatives for 2012 include the introduction of 100pt scores; judging all classes in regional clusters and the reduction of entry volumes for several classes.

With more than 3170 entries in 2012, our 27 Judges, 14 associates and many stewards certainly had their work cut out for them, and we thank them for their efforts and support. A special mention must be made to Peter Matthews and Stephen Chambers for their valued assistance to the Chair of Judges during the Show. We also extend our thanks to the many supporters who help make the Wine Show possible, particularly the State Government of Victoria through the Department of Business and Innovation, our dinner and exhibitor tasting presenting partner Portavin and event partner Dan Murphy's, along with our trophy sponsors for their contribution and involvement.

Finally to all of the exhibitors, and particularly our outstanding trophy winners, who have shown us some of the finest examples of Australian wine during the course of judging, we thank you for your ongoing participation and look forward to 2013.

Report on this year's show by

**Mr DAVID BICKNELL,**

**ROYAL MELBOURNE WINE SHOW CHAIRMAN OF JUDGES**

The Royal Melbourne Wine Show continues to be seen as one of the most progressive and relevant wine shows in the country. At a time when the future of Shows and how they are conducted is a hotly discussed topic, I am very proud of the fact that Melbourne is seen as a leader in its field.

This year, the quality of our judging panel continued to be outstanding with great contribution coming from our international guest judges James Suckling and Jamie Goode MW and the many judges and associates who are part of this team.

With respect to the wines, notwithstanding the clear vintage variation experienced by some states and territories in the 2010 and 2011 growing seasons, the exhibits by and large were of outstanding quality. A total of 3,170 wines were entered from 557 exhibitors, the largest number of companies entering since 2009.

The depth and breadth of entries, from all major growing regions and the increase in key class numbers such as the single vineyard class, continues to reflect the importance and relevance of the Melbourne Wine Show to our industry.

Until this year it wasn't possible to win this combination of trophies but, this year's winner of the highly coveted Jimmy Watson Trophy, has for the first time also taken out the new Trevor Mast Trophy for Best Shiraz and the Victorian Trophy for Best Victorian Table Wine – Best's Great Western Bin 1 Shiraz.

Stand-out classes in 2012 were Single Vineyard and 2011 Pinot Noirs, 2011 Chardonnay, 2010 & 2011 Shiraz, Shiraz Cabernet & Rhone Varietal Blends, and 2012 Riesling. Special mention needs to go to the Clare Valley with such an outstanding collection of 2012 Riesling exhibited in this year's Show – the judges all agree it is one of the best vintages from this acclaimed region.

I have briefly mentioned the judges and I would like to thank this year's panel for their professionalism, camaraderie and focus on finding the absolute best wines.

To continue to ensure the Show remains at the forefront there will be further changes made to the judging panel next year with the rotation of judges and panel chairs who after several years with the Show, will be standing down in 2013 to facilitate the addition of new judges to our ranks. Special thanks to those who have given their time and expertise over this time.

As always, the Royal Agricultural Society of Victoria ensured that the logistical challenges of presenting a wine show of this scope and calibre were executed with precision. We thank them and the incredible team of stewards, for their ongoing support and look forward to working together to ensure that the 2013 Royal Melbourne Wine Show continues to go from strength to strength.

### THE ROYAL MELBOURNE WINE SHOW

It is a rare wine indeed that can claim the coveted trifecta, The Jimmy Watson Trophy, The Victorian Trophy for Best Victorian Table Wine and the inaugural Trevor Mast Trophy for Best Shiraz of Show. And yet in a first for the 2012 Royal Melbourne Wine Show, there is a deserving winner with Best's Great Western Bin 1 Shiraz achieving all three.

### THE JIMMY WATSON MEMORIAL TROPHY FOR THE BEST RED WINE OF THE 2010 AND 2011 VINTAGES

#### WINNER

#### **BEST'S GREAT WESTERN SHIRAZ BIN 1 2011**

**BEST'S GREAT WESTERN, VICTORIA**

The Jimmy Watson Memorial Trophy is Australia's most sought-after wine awards. Named after the legendary Jimmy Watson, who championed table wine at his wine bar, the trophy has been presented in his memory every year since 1962 at the Royal Melbourne Wine Show for the best red wine from a recent vintage or vintages.

Best's is one of Australia's oldest operating wineries having made wine without interruption since 1866. The winery is now in the hands of the fifth generation of the Thomson family and continues to make elegant, mid-weight wines of great intensity and balance. Like all classic, long-lived wines, they show their true potential in their youth and age often reveals their greatest finesse.

Adam Wadewitz was the winemaker for the 2011 vintage and the final blend of Best's Great Western Shiraz Bin 1 2011 was put together by current winemaker Justin Purser. Bin 1 is a classic, cool climate, aromatic Shiraz, made in a style that is perfumed, spicy and peppery, with wonderful balance, texture and length.

### VICTORIAN TROPHY FOR BEST VICTORIAN TABLE WINE PRESENTED BY THE VICTORIAN GOVERNMENT

#### WINNER

#### **BEST'S GREAT WESTERN SHIRAZ BIN 1 2011**

**BEST'S GREAT WESTERN, VICTORIA**

The Victorian Government Trophy for Best Victorian Table Wine is presented on behalf of the Victorian Government in recognition of excellence in the Victorian Wine Industry. It is awarded to the exhibitor of the Best Victorian Table Wine in Show. Wines entered are made from 100% Victorian grapes vintaged in Victoria.

Best's is one of Victoria's oldest wineries and sources its fruit from three vineyards nestled in the foothills of the Great Dividing Range and Grampians Range the wines receive international acclaim and are widely recognised as jewels in the Victorian wine industry crown.

### THE TREVOR MAST TROPHY FOR BEST SHIRAZ IN SHOW

#### WINNER

#### **BEST'S GREAT WESTERN SHIRAZ BIN 1 2011**

**BEST'S GREAT WESTERN, VICTORIA**

The Trevor Mast Trophy is awarded to the best shiraz in show in recognition of Trevor's lifetime contribution to the Australian wine industry. Trevor was a long time winemaker at Australia's Mount Langi Ghiran winery and a legend in the Victorian wine industry for his visionary cool climate wine production.

Mast believed in cool climate winemaking decades before it became a buzzword. He pursued a new style for Australian wine, one of spicy, pepper-infused character and fine-boned structure and he also spent many years of his early career making wine at Best's Great Western. Mast sadly passed away in March 2012 and remained an ever-popular champion of Victorian wine having spent his entire career making wines in the state.

And so it is somewhat fitting, that the Best's Great Western Bin 1 Shiraz should claim this trophy in its inaugural year.

### THE FRANÇOIS DE CASTELLA TROPHY FOR THE BEST YOUNG WHITE WINE

#### **LEASINGHAM BIN 7 RIESLING 2012** LEASINGHAM, SOUTH AUSTRALIA

The Francois De Castella Trophy is one of the Royal Melbourne Wine Show's marquee awards. The trophy is named in honour of François Robert De Castella (1867-1953), a Swiss-born pioneer Victorian viticulturalist and winemaker who wrote the influential Handbook on Viticulture for Victoria and as the state's viticultural expert, helped the fledgling industry through very difficult times during the late 19th and early 20th centuries.

This year's trophy-winner is the Leasingham Bin 7 Riesling 2012. Established in 1893, Leasingham has a long-established tradition of excellence with Riesling production in the Clare Valley. The 2012 vintage is widely considered to be the region's best in more than a decade. A classic style the wine shows citrus and floral aromas on the nose with wonderful acidity, great length and balance.

## NOTES ON WINE JUDGING

Wines entered into the RMWS are assessed by judging panels. Wines entered into the Royal Melbourne Wine Show are assessed by judging panels consisting of three judges and two associates. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate. The Chairman of Judges will have the final power to arbitrate the Awards.

The panels assessed each wine independently and "blind" with exhibits judged on a points score with a maximum of 20 points per Judge. The Judges then discussed the merits of each wine before the final assessment of each wine was made. It was at this point that an agreed combined total score out of 60 was attributed to each exhibit and is published within this catalogue.

Medals are awarded for the following points:

55.50 points and over = Gold Medal

51.00 - 55.49 = Silver Medal

46.50 - 50.99 = Bronze Medal

Again in 2012, the "top" exhibits of each class were then re-tasted blind by the Panel Chairs and the Chairman of Judges to find the top exhibit of each class. Through this extra level of scrutiny the eligible wines for each varietal & blend class trophy were found. The varietal and blend class trophy judging rounds were the final level of scrutiny to ensure only the top eligible exhibits went through to be judged for the major trophies in 2012.

Judges may in their absolute discretion decline to appoint an award in any class. Awards may be withheld in any class where exhibits are considered unworthy or where the Judges for any reason and in their absolute discretion decide that any award shall be withheld.

For the first time in 2012 the RMWS has chosen to also publish a comparative 100 point score.

The 100 point scores published in 2012 have been calculated from the Judges' agreed 20 point scores following the below method:

$(20 \text{ point score} \times 4) + 22 = 100 \text{ point score}$

FOR COLLECTORS OF FINE WINE

#### Wine Ark Provenance Program

Bottles of aged wine that are transacted in Australia rarely have an irrefutable climate controlled storage history. Buyers of vintage wine generally haven't had a reliable means by which to verify the storage conditions of a wine..until now.
