REGULATIONS OF BEEF CARCASE COMPETITION

The Regulations appearing in this Schedule form part of the General Regulations and conditions of entry to an Event at the Royal Melbourne Show. In the event of any inconsistency between the General Regulations and these Regulations, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

COMPETITION ENTRY

Please read in conjunction with Beef Cattle Competition Regulations.

Entries in the Beef Carcase Competition must be received at RASV's Administration Office, located at Melbourne Showgrounds, Epsom Rd, Ascot Vale, 3032 by no later than the specified Entry Close date. Entries must be accompanied by all fees at this time.

National Vendor Declaration must accompany livestock travelling to the Showgrounds for the purpose of this competition.

Steers and Heifers are eligible to compete, though eligibility for the Borthwick Trophy teams precludes heifers.

Each Exhibit must be tractable, and shall be led for Judging.

ARRANGEMENTS FOR HOOF & HOOK

The live classes will be representative of the three Market Categories for the carcase appraisal, as follows:

Market Category		HSCW (kg)	Actual fat depth (mm)		
			P8	11/12 Rib	12/13 Rib
B	Medium Domestic	180 - 240	6 - 10	5 - 8	4 - 7
C	Heavy Domestic	241 - 300	8 - 13	6 - 10	5 - 9
D	Export	300+	12 - 17	8 - 13	7 - 12

All Exhibits will be weighed live, upon arrival at the Showgrounds.

The live classes will be finalised once all Exhibits have been weighed, and determined on manageable numbers as deemed by the RASV (approximately 20 Exhibits).

All Exhibits must be paraded live before the Judge to be eligible for judging on the hook.

Only entries exhibited by a recognised School, College or TAFE (School) will be eligible for the Schools' competition and awards.

School or College Exhibits denoted by (B&P) at the time of entry will be eligible for the Bred and Prepared trophy.

All Exhibitors shall state with their entry:

- the breed, cross of breeds or mixture of breeds;
- the birth date if known, otherwise the month born, of each animal entered so far as this is known;
- the name and breed of the sire and registration ID if known; and
- the name and breed of the dam and registration ID if known.

The RASV reserves the right to reject or limit entries at their absolute discretion, at any time, and for any reason. In this regard, Exhibitors are advised that accommodation for Beef Carcase Exhibits may be limited. If entries exceed the quantity that can be suitably accommodated, it may be necessary for the RASV to ballot entries. Exhibitors are also advised to read General Regulation 2.6.

For the purpose of this competition Hormone Growth Promotants are not permitted.

An animal or carcase which, in the opinion of the Chief Steward, shows secondary sex characteristics will be deemed to be a bull and will not be eligible for an award.

All Exhibits must be either polled or dehorned.

All Exhibits must comply with the Property Identification Code (PIC) and National Livestock Identification Scheme legislation of Victoria. Exhibits not appropriately identified by means of an electronic identification will be deemed ineligible.

The RASV reserves the right to insist that ineligible animals be removed from the Showgrounds at the expense of the Exhibitor upon request of the Chief Steward.

In order for Exhibits to be slaughtered, and therefore eligible for competition, Exhibitors must provide a National Vendor Declaration.

Subject only to the General Regulations, the Chief Steward reserves the right to make such determinations and directions on any matter in relation to the conduct of the Beef Carcase Competition, as he/she thinks fit.

The Chief Steward reserves the right to penalise, disqualify or make ineligible for an award any Exhibit in the Beef Carcase Competition that is determined to be outside of acceptable specifications in regard to weight, eye muscle area, meat colour, fat depth, fat colour, fat distribution and marbling.

All Exhibits shall be rung through the nose and at all times shall be led by such nose ring. This includes the unloading of livestock upon arrival at the Showgrounds.

If an Exhibit has a ringworm and/or wart infection is so bad and/or unsightly that it detracts from the spectacle of the Show, the animal may be deemed ineligible for competition. Any animal infected with warts should have them removed prior to arriving at the Showgrounds.

All Exhibits for the Beef Carcase Competition are required to be housed as directed at the Showgrounds. Any proposed departure from this requirement by an Exhibitor must receive prior written permission from the RASV.

A complete Timetable of Arrangements for the Beef Carcase Section will be forwarded to each Exhibitor prior to the Show. The timetable that appears in this Schedule is subject to change and will be finalised once an indication of entry numbers for this competition is obtained.

JUDGING OF BEEF CARCASSES

Carcases will be judged within the general parameters of the Australian Beef Carcase Appraisal System (ABCAS), incorporating carcase attributes relevant to Market Specifications and Meat Standards Australia (MSA) developed eating quality standards.

Animals entered in Carcase Competitions cannot comply with the pre-slaughter management guidelines of MSA pathways, so their carcasses are not eligible for sale as MSA-graded beef. However, the principles of MSA grading will still be applied in judging the carcasses, according to the following Schedule of maximum points:

1. Market Specification	20 points	3. MSA Eating Quality*	45 points, combined
P8 Fat Depth	10	Ultimate meat pH	Units
Meat Colour	5	Ossification Score	100 - 590
Fat Distribution	5	Tropical Breed Content	0 - 100%
Penalties	As required	Hump Height	mm
2. Saleable Meat Yield	35 points	AUS-MEAT Marbling	0 - 6
		MSA Marbling	100 - 1190
Rib Fat Depth	15	Sex	Male/Female
Eye Muscle Area	20	Total	100 points

To receive eating quality points all carcasses must meet MSA minimum standards, as follows:

Minimum 3mm of rib fat
Adequate fat distribution
Ultimate pH below 5.7
Meat colour of 1b and no greater than 3

Carcasses will not be penalised for bruising should any occur.

ACQUISITION OF CARCASSES

The RASV reserves the right to arrange the sale of carcasses over the hooks using a grid system. Carcasses that are sold by this method attract a commission of 3.0% which is payable to the RASV.
