NOTES ON WINE JUDGING

Exhibits in all Australian Wine Shows are judged on a comparative basis, i.e. all the entries are judged at the same time. The other method used in Varietal classes in Adelaide is the International system where the wines are judged and pointed individually.

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheets this is divided into:

1. 3 points for colour and condition, usually wines with poor colour are rejected for defects on both nose and palate.
2. 2.7 points for nose.
3. 3.10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

- 18.5 - 20 – Gold Medal
- 17.0 - 18.4 – Silver Medal
- 15.5 - 16.9 – Bronze Medal

All exhibits are judged on the blind. Judges do not handle the bottles.

In Melbourne, the judges are arranged into four groups, each of three judges, with a Chairman of Judges who arranges the groups of judges, divides the classes to be judged between four groups, gives guidance and occasionally resolves disagreements.

Each class is set up and poured by associate judges, who have a set of glasses with the judges.

The judge assess the wines, point them and then collaborate on the medals awarded. The points listed in the results section represent the total of the three judges assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Varietal wines should comprise at least 80% of the specified variety for 1997 and earlier vintages and 85% of the specified variety for later vintages.

DRY WHITE TABLE WINES

Should be in a brilliant condition, pale to medium straw in colour, preferably with a slight green tinge. Light to full bodied, medium to high acidity with a fresh bouquet, clean after taste, no lingering sweetness. In the wooded classes, the oak should be in harmony with the viscosity of the wine. Alcoholic strength should be between 8% and 14% alcohol.

MEDIUM DRY WHITE WINE

Specification similar to Dry White Table wine but with some sweetness not exceeding 1 degree baume.

SWEET WHITE TABLE WINE

Should be in a brilliant condition, straw to light golden colour, medium to full bodied with a bouquet which is aromatic or complete and distinctly sweet in flavour. Its alcoholic strength should not exceed 14% by volume and it should not show excessive sulphur dioxide. Baume should not exceed 1 degree.

ROSE

A still, light and tart table wine with a slight tannin finish and a fresh fruit flavour but without Muscat character. Colour pink, but many have a trace of apricot or amber tint. Alcoholic strength should be between 8% and 14% by volume.

LIGHT BODIED DRY RED

Colour, light to medium red. A blue or purple tint may be present. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be fresh and fruity and in harmony with the body and flavour of the wine. Palate - soft and light without being thin and rounded in the mid palate. Finish clear and crisp with soft astringency. The alcoholic strength should be between 8% and 12% by volume.

DRY RED

Colour medium to deep red. According to age, a blue or purple tint may be present in a young wine or a light brown edge may be present in an aged wine. Aroma and bouquet - varietal aroma may occur in varying degrees. It should be

fruity and in harmony with the body and flavour of the wine. The bouquet may show evidence of maturation in oak vessels and in older wines bottle age. Palate soft rounded and generous in mid palate. Body medium is full in balance with the acidity. Finish clean with tannin from maturation in wood but this should not predominate. The alcoholic strength should be between 8% and 14.5%.

SWEET WHITE DESSERT

Golden to dark brown in colour depending on age. Must not show Muscat character but have fruity and aromatic bouquet. It must be full bodied, soft and luscious. Strength not to exceed 20/5% alcohol by volume.

TAWNY PORT

Colour pale red with distinct amber tinge. Bouquet fruit and aromatic, palate full and soft with distinct dryness on the finish. Some flavour of oak tannin from the maturing wood is desirable. A lingering sweetness on the after palate is undesirable. Strength not to exceed 20.5% alcohol by volume.

VINTAGE PORT

Flavour full and soft with firm astringent finish and no lingering sweetness. Strength not to exceed 20.5% alcohol by volume.

SHERRY, Pale, Dry, Fino

Colour straw to pale golden. Bouquet characteristic of flor sherry. Flavour light and dry without excessive acidity or astringency, but some oak character. Finish dry, aromatic with distinct 'nutty' after taste of sherry. Strength not to exceed 20.5% by volume.

SHERRY, Amontillado

SHERRY, Oloroso

Colour amber to brown. Bouquet showing both oak and sherry character. Palate soft and round but with a dry finish. Strength not to exceed 20.5% alcohol by volume.

SPARKLING WHITE WINE

Colour should be pale to light straw. Should have good acidity and not be too light in body. Bouquet should be fresh without particular varietal character and should indicate some years in the bottle. The wine should be fairly dry but show no astringent finish. Bubbles should be fine and persistent.

SPARKLING RED WINE

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with a dry finish. May show slight oak character. Bubbles should be fine and persistent.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

JUDGES REMARKS

Disappointing class, many fermentation problems. Too many wines with sulphide faults. Award wines generally light and fruity with good structure.
High alcohol is not necessarily the answer to Verdelho.
