Judging

Exhibits in the Wine Show are judged on a comparative basis, i.e., all the entries in the class are judged at the same time.

Exhibits are judged on a point score with a maximum of 20 points. On the judging sheets this is divided into:

- 3 points for colour and condition, usually wines with poor colour are rejected for defects on both nose and palate
- 7 points for nose
- 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

- 18.5 - 20 Gold Medal
- 17.0 - 18.4 Silver Medal
- 15.5 - 16.9 Bronze Medal

All exhibits are judged 'on the blind'. Judges do not handle the bottles.

The judges are arranged into five groups, each of three judges with a Chairman of Judges. The Chairman of Judges arranges the groups of judges, divides the classes to be judged between the four groups, supervises and gives guidance during the judging.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges.

CLASS 20: DRY RED - SHIRAZ.

JUDGES REMARKS

Average class. A large number of entries were downpointed for poor sample preparation (aldehyde) and a lack of fruit lift. Over use of oak resulted in out of balance wines.

JUDGES REMARKS

Pleasing class with very few faulty wines. Some fullness of fruit flavour across the class would raise the wines that extra dimension.

CLASS 33: DRY WHITE TABLE

wine from highly aromatic, floral varieties (such as Traminer, Frontignan, Riesling, Traminer Riesling) and blends of these varieties.

JUDGES REMARKS

Non award wines in many cases exhibited extenuated ferment problems coupled with a lack of fruit. Top awards were given to elegant and fresh fruit styles.

JUDGES REMARKS

Disappointing class. Wines lacked fruit weight and consequently a lot of wines were over oaked. In addition, many wines were too herboreous.
