SPECIAL REGULATIONS CONDITIONS OF ENTRY & EXHIBITION

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise. Copies of the General Regulations are available from the Office of the Company during normal working hours.

102. The following regulations and any other conditions, rules or guidelines, which may be expressed to apply in respect of either judging or the awarding of prizes in the Dairy Show shall be read subject to General Regulations 27 through 39 and shall in no way be construed as limiting the discretion of judges to award prizes as and when they think fit.

RESULTS FOR USE IN ADVERTISING

103. Exhibitors may use the results of this Competition in advertising and on packaging however the advertising and packaging must relate only to the variety of products exhibited in the relevant class(es) and year(s).

104. Without prejudice to the General Regulations, neither the Company nor Woodmasons Pty. Ltd. accepts any responsibility for the loss of or damage to any exhibit, whether occurring before, during or after the Show, and all references to the "Company" in regulations 11 and 12 shall in the case of exhibits in the Dairy Show be construed as if they were also references to Woodmasons P/L.

LABELLING OF EXHIBITS

105. All exhibits of Dairy Produce must be distinctly labelled ON THE OUTSIDE OF THE PACKAGE with removable cards provided by The Royal Agricultural Society of Victoria Limited, such cards to indicate **only** the class in which the exhibit is entered and the relevant exhibit number. Unless specified, any exhibit which can be identified, will be automatically disqualified.

AUSTRALIAN FOOD STANDARDS

106. All entries must comply with Export and/or Local State standards (Model Food Act) or entries will be automatically disqualified.

ELIGIBILITY TO EXHIBIT

107. All exhibits in the Dairy Show must be manufactured by the exhibitor, and within Australia. The name of the Factory at which the exhibit was manufactured must be stated on the Entry Form only.

PRODUCT SAMPLES

108. The Company reserves the right to draw samples from exhibits and to display in its absolute discretion only those exhibits which are awarded prizes, or in the opinion of the Judges are of such merit that exhibition is desirable. The entering of an exhibit in any competition at the Show confers no rights whatsoever to have that exhibit displayed at the Show.

109. All exhibits become the property of the company and surpluses are donated to charity.

2 DAIRY PRODUCE

110. A Condition of entry for champion or gold awards is that 2 boxes of product must be supplied for the champion display window in the Dairy Pavilion. To be delivered to the Dairy Pavilion, c/- Australian Dairy Corporation, attn. Mary E. Cross, Regional Manager, one week prior to the commencement of the Royal Show.

DUMMY PACKS

111. Exhibitors are required to send empty retail packaging samples of products entered in the show for display purposes. Please send this with exhibits to Woodmasons Pty Limited or chocolate entries to the Royal Melbourne Showgrounds.

NON BOVINE PRODUCTS

112. An alternative competition is included for non bovine products. These products are eligible for a Gold, Silver or Bronze awards. A separate results publication will be produced for non-bovine products.

SAMPLES FOR TASTING

113. Medal winners in the cheese section may be asked to provide up to 10 kg duplicate samples of cheese (depending on the product) for the above presentation function and promotional purposes. Cheesecake exhibitors may also be asked to provide samples for the presentation dinner. Exhibits for tasting at the presentation dinner to be delivered at a time to be advised.

ACCESS TO JUDGING

114. Judging rooms are only accessible by designated officials, unless by prior appointment or invitation with The Manager of the Royal Melbourne Dairy Show.

REGULATIONS APPLYING TO CATEGORIES

BUTTER

115. For the purpose of judging in the Butter Classes the Factory at which the exhibit is manufactured is regarded as the Exhibitor and as such any one Factory is not allowed to submit more than one entry in any one class.

116. Exhibits in Classes 101, 102, 103 and 104 may be subjected to analysis for butter fat, moisture, salt and curd.

117. No award will be made to any exhibit in Classes 101, 102, 103 and 104 containing less than 15 per cent of moisture.

118. All exhibits in Classes 101, 102, 103 and 104 must conform to the standard prescribed under the Commonwealth Export Control Act (1982), and any Regulations made pursuant thereto, as amended from time to time and in force on 29th June, 1994.

DRIED MILK PRODUCTS

119. All exhibits in Classes 110 to 112 must conform to the standards prescribed by the Commonwealth Export Control Act 1982 and any regulations made thereunder as amended from time to time and in force on 29th June, 1994 in respect to quality, condition, composition, packing and trade description (1 package). All exhibits in Classes 113 and 114 must conform to the standards prescribed by the Australian Food Standards Code (as amended from time to time) in respect to quality, condition, composition, packaging and labelling.

CHOCOLATE

120. All entries should comply with the appropriate provisions of the Australian Food Standards Code (which specifies minimum milk contents for milk and white chocolate). The dairy components should be of Australian origin. Entries will be accepted only from the original manufacturer of the entry. They will not be accepted from wholesalers, retailers or others.

121. 'Boutique' manufacturers for the purposes of this competition are defined as manufacturers of 1000 tones or less of chocolate per annum. Commercial manufacturers are defined for the purposes of this competition as producers of greater than 1000 tonnes per annum. Exhibits will be judged on their individual merits as a boutique or commercially produced chocolate. Production status will be indicated in the Catalogue of Results.

122. As judging places emphasis on the product rather than the pack, entries of the same product will not be accepted in more than one packaging type.

123. Judges reserve the right to purchase commercial samples and compare same to exhibits, any significant variation may result in disqualification or downgrading of points. All entries should be as per a normal production run.

124. Chocolate/Compound - all entries are limited to chocolate as defined in the Australian Food Standards Codes i.e. compounded chocolate and products made with compounded chocolate will not be accepted.

125. Sample Size:

Milk, Dark and White Chocolate - 1kg in unbranded moulded blocks not exceeding 250g each.

Assortments and Panned Goods, Coated Ginger and Macadamia, Hollow Moulded and Boxed Chocolates items - 3 packaged samples of each line to be submitted.

Bar Lines class - 12 samples of each line to be submitted.

CHEESES

126. The factory which manufactures the exhibit shall be deemed to be the Exhibitor. The exhibit must be made in the factory nominated on the entry form as the Exhibitor. The exhibit must be manufactured within Australia, and only from cows milk in bovine classes.

127. There are to be no brands or marks of identification on any exhibit (except for classes 144, 145, 149, 202 & 203), except a detachable label supplied to the exhibitor by the company. This label which shows the class and exhibit numbers is to be affixed by the exhibitor prior to despatching the exhibit for judging.

128. No packaging is to include dry ice and all packaging is to be stable. Milk containers 4/5 filled with frozen water packaged with products is the recommended packaging.

129. Exhibits submitted for judging must be consistent with the quality of the cheese produced by the Exhibitor. The Company reserves the right in its absolute discretion to inspect and taste cheese of the same description as the exhibit, irrespective of whether it is still held by the Exhibitor or has been sold. The Exhibitor must permit any person nominated by the Company to collect samples of cheese of the same description as the exhibit from any stock held by

the Exhibitor. In the event that the cheese is of lesser quality than the exhibit by more than two points (determined by any one of the judges using the scale of points detailed for cheeses), any awards or prizes may in the absolute discretion of the Company be forfeited.

130. Exhibitors may submit only one entry in each cheddar class.

131. The exhibits submitted for judging in Classes 125 - 128 may be rinded or rindless, and must be of the following sizes:

- a) if rinded - nominal 5kg minimum; and
- b) if rindless - nominal 20kg.

132. Cheese should be selected to give a flavour profile similar to the following age groupings:

Mild	4 to 8 weeks
Semi Matured	8 weeks to 6 months
Matured	6 to 12 months
Vintage	over 12 months

Cheese will be judged to these specifications.

133. Exhibitors may submit more than one entry in classes 135 to 149 and 201 to 203, provided that each exhibit entered in the class by that exhibitor is a different variety. The variety must be stated on the entry form.

134. The quantity of cheese specified in each class must be a minimum total of 500 grams and must be a whole cheese. Exhibitors should state whether exhibits are standard varieties or reduced fat types of cheese.

YOGHURT

135. Exhibits in Yoghurt Classes are to be submitted in plain containers of either 3 x 200 gram or 1 x 500 gram minimum weight.

136. Flavouring may be added according to food regulations.

CREAM

137. All exhibits shall consist of a minimum quantity of 250ml.

CUSTARDS AND DAIRY DESSERTS

138. All exhibits shall consist of a minimum quantity of 500ml.

CHEESECAKES

139. All entries will conform to a 20-25cm diameter and will feature Australian cheese made from cows milk.

140. Additional Australian bovine dairy products may also be included.

FLAVOURED MILK

141. Exhibits shall comprise of plain plastic bottles or cartons of flavoured milk of a minimum quantity of 500ml.

ICE CREAM

142. Judges reserve the right to purchase commercial samples and compare same to exhibits, any significant variation may result in disqualification or downgrading of points. All entries should be as per a normal production run.

143. Ice cream and ice cream containers often suffer damage caused by dry ice. This can be minimised by avoiding direct contact by the dry ice with the outside of the ice cream container. It is recommended that the container be wrapped in several layers of newspaper or the like to create a barrier between the dry ice and the plastic container.

144. Exhibits in classes 190 - 193 shall comprise of not less than 2 x 1 litre containers, with the flavour to be stated on the container.

145. Exhibitors are limited to a maximum of 5 entries per class.

Exhibits in class 195 shall consist of 3 packaged samples.

BUTTER

146. Competitions in the Butter Section shall be decided on the points awarded to each exhibit from the maximum possible points in respect of each of the criteria listed below.

Flavour, including aroma	50 points
Texture, including body, grain and moisture	30 points
Condition, including colour, salting, packing	20 points
Maximum possible total	100 points

Awards will be made to exhibits gaining points as follows:

Bronze	92 less than 93 points
Silver	93 less than 94 points.
Gold	94 - 100 points

These awards will be made in the form of certificates there will be no placings as such in the classes.

IN STORE DEMONSTRATION

The ADC's Choose Australian Cheese Campaign is designed to increase cheese sales by doing the following:

- Educate people that Australia has world class cheese.
- Encourage consumers to look for Australian origin on the pack.
- Encourage consumption of Australian cheese via simple, stunning usage suggestions.
- Create a festival atmosphere around Australian cheese in stores.
- Provide shoppers with the opportunity to sample Australian cheese.

From Australia, with pride.
