SCHEDULE OF CLASSES, PRIZES AND REGULATIONS

HORSES IN ACTION

CONDITIONS OF ENTRY

101. The General Regulations appearing in this Schedule form part of the conditions of entry. In the event of any inconsistency between the General Regulations and these conditions, the General Regulations shall prevail to the extent of the inconsistency unless the General Regulations provide otherwise.

102. Notwithstanding General Regulation 8 exhibits in this section may be entered in any class or classes for which they are eligible.

STABLING

103. Exhibits shall be placed where directed by the Company and where a stall or box is allotted the exhibit shall be in occupation of such stall in accordance with instructions to be issued by the Company from time to time.

The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of \$30 shall be paid by the exhibitor for each exhibit entered and must be paid at the time of lodging entries.

Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Company.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

The Company shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Company.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

Any Exhibitor, person in charge of an exhibit, or other person who enters a stable without the authority above mentioned shall be guilty of a breach of the Company's Regulations and may be dealt with accordingly.

106. Exhibitors not entitled to accommodation may not bring transports or floats on to the Showgrounds. The vacant land between the western extremity of the Grounds and the V.R.C. "Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors entitled to use this area at a fee of \$6.00 per day per vehicle.

Exhibitors attending the Show on a day basis are requested to parade where possible and should

marshal in the Western Area as directed by the Horse Superintendent.

***Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Company may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.**

Notwithstanding the foregoing, exhibitors should note that in Sections where Champion Prizes are awarded, the best of each sex will not be required to stay for the duration of the Show.

109. Exhibitors should note that the General Regulations contain a number of provisions concerning veterinary inspections, the health of exhibits and associated matters. As those conditions apply in addition to the foregoing conditions, exhibitors should make themselves familiar with their terms.

HEIGHT OF EXHIBITS

112. Where height is stipulated the exhibit must be measured unless otherwise stated by the Company. An exhibit over or under the specified measurement shall be transferred to its appropriate class. The Company's duly appointed measurer will be in attendance on the Show Grounds at times determined by the Company.

Horses entitled to a stall or box in the first week must be measured by 5.00 p.m., Wednesday September 18th. A pre-Royal Show measuring day will be held on Saturday, August 10th at the Show Grounds, Ascot Vale. The measuring stands in the Western Area will be used and measuring will take place between 10.00 a.m. and 3.00 p.m.

All horses and ponies must be correctly bitted when being presented to the measurer.

113. When measuring an exhibit an allowance of 3/8" for shoes may be made by the measurer. Should an exhibit be measured with its shoes on the exhibitor may if he so desires have the horse re-measured without shoes. The measurer may at his discretion request the removal of shoes from any exhibit and re-measure the horse without shoes. No allowance will be made for grass tips.

114. Should the Company have appointed more than one measurer then an exhibit having been measured and its height recorded by one of such measurers shall not be submitted for measurement or re-measurement to one of the other measurers.

115. Except as provided in the next rule the decision of the measurer shall be final.

116. The judge of a class may request any exhibit to be re-measured in which case the exhibit shall be re-measured in the presence of the Steward in charge of the class and the height then decided upon by the Steward shall be final.

119. The Company may make or cause to be made any test of any exhibit to determine whether any drug or stimulant has been administered to the exhibit and may take possession of any such exhibit for any of the aforesaid purposes and detain such exhibit for such period as is deemed necessary.

Drug means any substance capable of affecting the performance or behaviour of an exhibit by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculo-skeletal system, or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins administered by injection.

Any exhibit which has been brought to the Show Grounds and is found by the Company to have had administered to it any drug as defined above may be disqualified for any event or class for which it has competed at the Show.

When any exhibit which is on the Show Grounds for the purpose of taking part in a class or event at the Show is found to have had administered to it a drug as defined above the owner and any other person who was in charge of the exhibit, and the exhibit may be dealt with in accordance with the applicable regulations. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an exhibit in any event or class at the Show any drug as defined above or has in his possession any electric or galvanic apparatus or improper contrivance may be dealt with in accordance with the applicable regulations. Procedures for the testing of Prohibited Substances will involve both "random" and "spot" tests on exhibits. At the discretion of the Company there will be blood testing of exhibits prior to competing and/or blood and urine testing at the end of the competition.

Competitors should be aware that particular attention will be paid to the detection of the sedative and tranquilliser drugs but analysis for all classes of prohibited substances will be included. The collection of samples will always involve taking blood from the jugular vein and may also include urine collection for post-competition testing. For the latter procedure if urine cannot be collected within 15 minutes an additional 60 ml blood sample may be taken in its place.

The Company may also select any exhibit for examination for desensitized limbs. Any exhibit found to have a limb or part of a limb desensitized by any means will be considered to have competed under the influence of a drug and penalised accordingly.

An obligatory "Drug Testing and Enforcement Levy" is payable by all Exhibitors.

The levy has been set at \$6.00 per Exhibitor for the 1996 Royal Melbourne Show. The levy does not apply to exhibitors entered in Riding Competitions only.

The exhibits and/or exhibitors not so presented shall not be permitted to enter the arena or to take part in the event.

Riders in jumping events shall be present in the Marshalling Yard and ready to walk the course not later than 20 minutes prior to the time stated in the Time Table for the event to commence.

Exhibits MUST be moved at a walk on any part of grounds other than Arena or exercise yards.

All exhibits must tie up and behave in an educated manner. Exhibits or riders behaving in a manner which could be dangerous to the public will be directed to leave the grounds.

123. No spurs other than dummy spurs not exceeding 3/4" in length may be used.

PARADES

124. **EACH EXHIBIT IS REQUIRED TO TAKE PART IN PARADES ON THE ARENA AT THE TIMES SET OUT IN THE PRINTED PROGRAMME.** Failure to parade without the correct exemption will result in a fine of \$20.00 per exhibit not paraded. The exhibit or exhibits in question cannot be exhibited in any other class or classes (as the case may be) until such time as the fine has been paid. Failure to pay the fine prior to departing from the Show Grounds may result in non-acceptance of entries at any subsequent Show.

PEACE OF MIND.

VACC Rural Insurance is heavily committed to supporting farmers.

That's why we have formed associations with over 30 societies and why we have been a founding sponsor of International Dairy Week and Beef Week.

It's why we sponsored the refurbishment of the Indoor Judging Ring in the Meaklim Pavilion and why VACC Rural Insurance was the first corporate sponsor to support the Roll Over Protection campaign with a \$15,000 pledge.
