Any proposed departure from this requirement by an Exhibitor must receive prior written permission from the Company. A Complete Timetable of Arrangements for this Section will be forwarded to each Exhibitor prior to the Show. Unless otherwise provided, judging will be conducted on Tuesday evening 24th September, 1996 in the VPC WFI Ring.

Exhibitors who wish to exercise this option must advise the Steward in Chief or his nominee in writing by 12.30 p.m. on Tuesday, 24th September.

JUDGING OF BEEF CARCASS

15. Carcasses will be judged using the April, 1989 National AUS-MEAT Beef Carcass Judging System. The AUS-MEAT system judges and point scores all carcasses within the competition. Points are allocated for weight, eye muscle areas, meat colour, fat depth, fat colour, fat distribution and where appropriate, marbling. Penalty points apply for carcasses which are outside nominated weight and fat specifications.
16. Carcasses that are outside the weight range of their nominated class will not be transferred but will incur penalty points at the rate of 3 points for every one percent of carcass weight outside class range. Those carcasses that exceed their nominated class weight range by more than five percent will incur a maximum penalty of 20 points.
17. Carcasses will be priced using a price grid according to actual carcass weight, not nominated class. Pricing does not constitute any part of the judging system.
18. All carcasses will be quartered for public viewing at the abattoir.
19. Carcasses will not be penalised for bruising should any occur.

NOTE: Measurements for a fat cover will be taken at the p8 rump site in line with AUSMEAT LANGUAGE, 3rd Edition, April, 1989.

2 BEEF CARCASE

NOTE: Dentition in all classes refers to the maximum allowable teeth in that class.

ACQUISITION AND DISPLAY OF CARCASES

Depending on the number of entries received, the Company reserves the right to arrange the judging and display of carcasses. All carcasses will be purchased at ruling market prices for the particular grade of meat. How many bankers make farm visits?

These days, it's hard enough to find anyone who makes farm visits. Let alone a banker.

Well, at the National Australia Bank, we believe a banker should make farm visits.

It's the best way any banker can get to know you and what your business is all about.

Then, in the privacy of your home, you can sit down face to face and talk about your farm's financial needs.

So, if you'd like a Rural Manager to visit you, simply call 13 10 12.
