"Victory" Instantaneous Burner.

Reduce or Increase Candle Power at will Lights with a Match.

"Victory" Light.

"Victory" Reserve Tank.

This Burner is in a class by itself.

It differs from other so-called match-lit burners, in that it does not depend on a small generator to generate all the gas consumed by the burner. In the "Victory" Instantaneous Burner is used a combination of a large and small generator, employing the small auxiliary generator only in lighting the lamp, after which the gas is generated in the main generator. By this arrangement we have the advantage of lighting the lamp with a match without sacrificing the advantage of the larger generator.

## WOOL'S the Test of Quality in SHEEP DIP

The excellence of "Vallo" Powder Sheep Dip is endorsed by well known Sheep-owners. Here is one of the many testimonials received.

"Wolfgang," Clermont Q'land,  
August 4<sup>th</sup> 1919

This is to certify that I have used "VALLO" Sheep Dip on 25,000 sheep, with very satisfactory results. The wool at shearing time was of good color, with a nice, soft touch and the sheep were quite free from Lice. You could still smell the dip in the wool.

### NOTES.

Age of all pigs to be calculated to day of judging, 22nd September, 1919. The Society's veterinary surgeon's decision to be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In this Section all exhibits (except in Classes 441-3) over the age of six months must be registered in an approved Herd Book—the sires and dams of exhibits six months old or under must be registered, and in the classes for sow with litters, the sire of the litter must also be registered.

For particulars of registration in the Berkshire and Yorkshire Herd Book of Australasia, apply to Mr. Arthur Beale, 368 Bourke-street, Melbourne.

Swine not registered prior to 31st July will only be permitted to be entered for the Show on payment of double entry fees.

Entries limited to 3 in each class from any one exhibitor in whose name the exhibits must be registered in the Herd Book. Only one exhibitor will be recognised as an owner from any one holding.

Exhibitors must make a statutory declaration on the back of their entry forms that their entries are true and correct in every particular, that their exhibits are eligible for entry according to the conditions specified and subject to the Rules, Regulations and By-laws of the Society, and that their exhibits, and the holding or holdings on which such exhibits were kept, have been free from swine fever for 12 months prior to the date of entry.

Several feed sheds are available for exhibitors in the Swine Section. On application to the Secretary, sheds will be reserved. Charge, 10/- each during currency of Show.
