SHEEP

Sheep in Sections 26 to 36 inclusive are only required in the yards from 10 a.m. on Monday, 21st September (when judging commences), until 5 p.m. on Friday, 25th September.

Sheep must not be rugged during the hours the Show is open to the public. The Exhibitor will be liable to a fine of ten shillings for every infringement of this regulation.

Several feed sheds are available for exhibitors in the Sheep Sections. On application to the Secretary, sheds will be reserved. Charge: Five shillings during currency of Show. Seven large feed sheds are also available, and may be reserved on payment of 10/- each.

All sheep entered in Sections 26 to 36 (inclusive) must be registered in the Exhibitor's name and be the property of Exhibitors registered in an approved public Flock Book, except sheep under 12 months old, which must be bred in a flock registered in the name of the Exhibitor. Only one Exhibitor will be recognised as the owner from any one holding.

FEEDING SHEEP — CAUTION !

As RIVERINA SHEEP NUTS are made from the richest foods only in a very concentrated form, it is not advisable in the early stages to overfeed starving sheep, but to give them a gradually increasing ration, 1½ to 2 ozs. per day (say one bag of 125 lbs. per 1000 sheep per day) for the first couple of days, gradually increasing to a full ration of 4 ozs. per day (two bags per 1000 sheep per day), on which they will thrive, improve in strength, and show a marked improvement in condition and growth of the wool.

LAMBING EWES.

If you could experiment by feeding some of your Lambing Ewes a few weeks before and after lambing, you would become an annual customer, whether the season is good or bad. Have you ever considered this seriously?

Two tons will feed 200 well for 80 days. It is worth that much to notice the difference in the growth of the lambs, without considering the benefit to the mothers and the wool.

Stocks are kept at Sydney, Narrandera, Tocumwal and Wagga, and can be sent to any part of the Commonwealth.

STONY PARK EAST POLWARTHS

STONY PARK EAST POLWARTHS are the original Dennis Strain, established 50 years ago — $\frac{3}{4}$ Merino, $\frac{1}{4}$ Lincoln — carrying bulky, lustrous fleeces of high-priced wool. Consistent winners at District Shows and at the A.S.B., Royal Sheep Shows, Melbourne and Sydney. Polwarth Wool from this Stud topped Albury Market, Nov., 1933, in offering of 13,000 bales, whilst Polwarth-Merino Cross Wool has invariably been amongst the top lines.

Stony Park East Stud is No. 6 in the Stud Book and the Pioneer Stud of N.S.W.

Grand Champion Polwarth Ram,
Sydney Sheep Show, 1934. Photo. by Hall.

POLWARTHS—a definitely Australian breed—were exhibited at the Sydney Show for the first time last year, and the winning of the Grand Championship will associate STONY PARK EAST STUD with the initial development of the breed.

POLWARTHS were established in Australia to suit Australian conditions, and have proved themselves to be WITHOUT A SUPERIOR for returning VALUE PER ACRE.

POLWARTHS are comparatively immune from Foot-Rot, Fly and Grass Seed Troubles, and are consequently thriving when other Sheep are distressed.

COLIBAN PARK MERINOS

One of the Oldest Established Fine Wool Flocks in Victoria

Bred Exclusively since 1859 for HEAVY CUTTING FLEECES

of Fine Quality Soft Handling Wool

Coliban Park Stud Ram 2-8

This ram in 1935 cut 21 lbs. at 12 months' growth, and the brokers reported on his fleece as follows:—

"The fleece in its entirety shows a remarkable evenness to type, density and bulk. It is well and evenly nourished. There is softness of handle and the staple, which is of required length for quality, discloses a regularity in character and evenness. The fleece is 70's to 74's count."

Section 39—Swine.

NOTES.

Age of all pigs to be calculated to day of judging (17th September, 1936). The Society's veterinary surgeon's decision to be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In Classes 515 to 580 (inclusive), all exhibits over the age of four months must be registered in an approved Herd Book, and pigs in classes under the age of four months, must be from litters notified in accordance with the Rules of the Australian Stud Pig Breeders' Society. In the classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

All sows 2 years old or over must be in pig or have produced a recorded litter during the 12 months prior to the closing date of entries.

All boars 15 months old or over must have had their tusks cut within one month prior to the Show.

The Registered Herd Book numbers of all exhibits and of the sires and dams of exhibits **MUST** be stated on entry form.

For particulars of registration in the Australian Stud Pig Herd Book, apply to the Secretary, Temple Court, 422 Collins Street, Melbourne.

Swine not registered prior to 31st July will only be permitted to be entered for the Show on payment of double entry fees.

Exhibitors must be financial members of the Australian Stud Pig Breeders' Society, and entries are limited to two in each class from any one exhibitor, in whose name the exhibits must be registered in the Herd Book. Only one exhibitor will be recognised as an owner from any one holding.

Exhibitors must make a statutory declaration on the back of their entry forms that their entries are true and correct in every particular, that their exhibits are eligible for entry according to the conditions specified, and subject to the Rules, Regulations and By-laws of the Society, and that their exhibits, and the holding or holdings on which such exhibits were kept, have been free from swine fever for 12 months prior to the date of entry.

Judges shall give consideration to sows entered in the "Sow and Litter" Classes when making Champion and Reserve Champion awards.

Several feed sheds are available for exhibitors in the Swine Section. On application to the Secretary, sheds will be reserved. Charge, 12/6 each during the currency of the Show. Seven extra large sheds beyond the end of the Swine Pavilion, each fitted with four sleeping bunks, may be reserved on payment of £1/10/- each.

No pig shall be transferred from its numbered pen without the sanction of the officer in charge.

The Society will arrange for a competent person to feed and otherwise attend to the birds, and caretakers will be on duty in the Pavilion night and day during the currency of the Show.

The greatest care will be taken of the exhibits; but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

Birds that have been tampered with or improperly dealt with in any way shall be disqualified, and entry fees paid therefor shall be forfeited. The exhibitor shall also be liable to disqualification, and, if a member, to expulsion from the Society.

CONDITIONS OF COMPETITION.

1. Collections may consist of the following:—Farm, Dairy, Horticultural and Pastoral Produce, including Wool, Wine, Vegetables, Roots, etc., and Wood.

2. Societies may compete in all the subdivisions mentioned in the scale of points at the foot hereof, or may, at their discretion, delete any part or parts carrying points not exceeding 100. All Societies must, however, compete in Section 13—Effective Arrangement. No Society will partake in the distribution of the prize money unless its exhibits are awarded 450 points or over. A list of the deleted sections or subsections (if any) to be delivered to the Society's office on the Show Grounds at least 48 hours before the judging is timed to commence. Prize money will be divided on the basis that the percentage of points actually scored bears to the number of points competed for.

3. Exhibits entered for the Agricultural Societies' Competitions are not eligible to compete in the general classes. Exhibitors wishing to compete in open classes must forward a separate exhibit.

4. Each exhibit will be allowed from 850 to 1000 square feet of floor space.

5. All collections of exhibits must be in charge of a responsible officer of the Society sending the same, who will have to arrange and display the exhibit to the best advantage. Exhibits must be completed before 9 a.m. on Thursday, 17th September.

6. On application to the Secretary, one approved attendant from each Society competing will be allowed to assist in locating the exhibits while the judging is taking place, but he will be removed from the building if he interferes with the Judge in any way.

7. Exhibits must be produced, prepared or manufactured within a radius of 30 miles of the Show Grounds of the Society entering same, and, with the exception of wines and woods, must have been produced within 12 months previous to date of entry. Woods and wines may be of any age, but the latter must be from a vineyard that is producing at time of exhibition. Exhibits may be manufactured from produce secured beyond the 30-mile radius and wool grown in the district may be scoured beyond the 30-mile radius. No exhibits produced or manufactured in the capital cities of Australia or within a five-mile radius of the General Post Office of same will be allowed to compete.

NOTE.—Exhibitors must make a statutory declaration when lodging their entries that their exhibits comply with Condition 7.

8. Exhibitors are required, in arranging their exhibits, to place them in such a manner as to facilitate judging. The Judges shall have the right to sample all foods and preserves.
