General Regulations

ENTRIES.

(Also see Special Notes in Each Section.)

1. In case any live stock, whilst on the Society's grounds, shall be injured or maimed or suffering from any ailment requiring, in the opinion of the Society's Veterinary Surgeon or that of some qualified substitute, immediate veterinary aid, and the owner of such stock is not in attendance or fails to forthwith render such aid, the Secretary or his deputy may provide such aid, and the cost and expense thereby incurred shall in every case be borne by the owner of such stock. If such Veterinary Surgeon or such substitute is of the opinion that such live stock should be destroyed then the Veterinary Surgeon or his substitute may thereupon destroy such livestock either with or without the owner's consent. The owner of such stock and any persons having the control thereof shall indemnify the Council Secretary or his deputy and the Society's Veterinary Surgeon, or such substitute, against all damages, costs, expenses or liability incurred in connection with the same.

2. All competitors and exhibitors shall take part in competitions or attend their exhibits at their own risk, and in case any exhibit, whilst on the Society's grounds, shall cause or be the cause of injury or damage to other exhibits, competitors or exhibitors, or to the person or property of any member of the Society or the general public, the owner or owners of such exhibit shall indemnify and keep indemnified the Society, its officers and members, property and effects from and against all damages, costs, claims, expenses or liabilities incurred in connection with such exhibits.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

PRECAUTIONS RE MACHINERY.

3. Exhibitors hereby accept all responsibility for any damage or injury to any person or property which may be occasioned by or arise out of the use of any machinery, implement or apparatus of any nature used in connection with the stand.

AWARDING OF PRIZES.

4. It shall be the duty of the Stewards to prevent any person interfering with the Judge, and, if necessary, to order the removal of such offender from the yards. Persons in charge must on no account leave their respective exhibits, or address the Judge, unless authorised by the Stewards of the section in which they are competing. Competitors not ready at the appointed time of adjudication will be liable to disqualification.

5. The Judge may award a second or third prize, instead of a first one, or may withhold a prize altogether, where the exhibits are not of sufficient merit.

6. The Judge is requested to make a reserve number of the exhibit next in merit beyond those to which the prizes are awarded in every class where the number of the entries exceeds the number of prizes offered, if, in his opinion, the exhibit is of sufficient merit to deserve a prize; he is also requested to give commendations when deserved.

7. The Judge shall award Reserve Champion Sashes in all Horse and Cattle Sections, and Rosettes in all Sheep and Pig Section in which Champion awards are made, and the animal second in the class (special classes excepted) to the Champion shall be allowed to compete for the Reserve Championship.

8. Any exhibitor or attendant refusing to attach the Prize Card to any exhibit to which a prize is awarded, and keep the same on the exhibit during the hours of exhibition, or any exhibitor or attendant altering a Prize Card in any way, will, on proof thereof to the Council, forfeit all prizes awarded to such exhibit during the Show, and may be disqualified from again competing, and no exhibitor will be allowed to display any Ribbon or Prize Card on his exhibit, stall or stand, in addition to those issued by the Society for the year. One Prize Card only is issued for each prize won.

9. Stock exhibits wearing bridles or head stalls, with their names or the names of their owners displayed thereon, are liable to disqualification.

10. The Council may withhold any prize when fraudulent or erroneous statements have been made regarding an exhibit, or when exhibits have been tampered with or improperly dealt with, and may also withhold all prizes awarded to exhibitors who have been guilty of false statements in relation to any of their exhibits; and exhibitors guilty of false entries or statements, or found guilty of tampering with or improperly dealing with their exhibits, may be debarred from again exhibiting, and if Members, shall be liable to expulsion from the Society. Exhibitors must, if required by the Council, make a statutory declaration regarding their entries.

11. Any person insulting or interfering with a Judge during the Show will be subject to removal from the yards; and the prizes, if any, awarded to such person may be forfeited.

12. Cheques for prizes will be forwarded to exhibitors as soon as practicable after the Show.

13. Any prize or prizes awarded at this Show, and left unclaimed for six months, may be forfeited and cancelled by the Finance Committee of the Society.

PROTESTS.

14. Protests against awards must be lodged with the Secretary, in writing, before 12 noon on the day after such awards are made, with a deposit of £1 sterling, which will be forfeited to the Society if the protest be found, on due consideration, to be unfounded or frivolous.

15. Should any exhibit, having gained a prize, be disqualified, the next on the list does not necessarily obtain the same prize. The Council, with or without the advice of the Judge, shall decide the question.

16. All persons exhibiting shall accept the decision of the Judge appointed by the Society as to the merits of their exhibits, and in the case of protests, alleging infringement of the regulation, the decision of the Council shall be accepted as final and without appeal.

18. Any exhibit of Horses or Cattle may be removed from the yards at the close of the Exhibition each day on depositing with the Secretary an approved cheque for £10 as a guarantee that the animal will be returned to the yards next morning before 9.30 a.m. In the event of the animal not being returned before the time specified, the deposit, together with all the prize money (if any) it has won, will be

liable to forfeiture; but on the animal's return each day, the cheque will be refunded to the exhibitor.

This regulation does not include dogs. Particulars regarding the removal of dogs will be found at the head of the Dog Section in this schedule.
