CATTLE

STEWARDS IN CHIEF:

Beef Cattle: JOHN BOTT, Esq.
Deputy: W. A. ANGLISS, Esq.
Fat Cattle: JOHN BOTT, Esq.
Deputy: J. E. M. COLECHIN, Esq.
Dairy Cattle: K. McGARVIE, Esq.
Deputy: G. P. H. WILSON, Esq.

The breeding year for Dairy Cattle dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, £1/5/- during the currency of the Show. Feed-mixing bins may be hired for 5/- each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk entered in all Dual Purpose and Dairy Breeds Sections must be at the grounds on Wednesday, 21st September, and be fully milked out by 4.30 p.m., at which time they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them. All other cattle (except Fat Cattle—see head of Section) must be at the grounds before 1 p.m. on Wednesday, 21st September.

Entries are accepted on the distinct understanding that stock may not be removed from the Showgrounds until after 11 p.m. on Saturday, 1st October.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

In all Beef Cattle Sections (except Fat Cattle) any animal entered which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Entries of milking stock (Sections 18 to 25 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

The conditions governing the number of entries permitted will be found at the head of each breed section.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Discs denoting Champion and Reserve Champion are provided by the R.A.S. for display over the winning animals. Such discs are the property of the Society and removal without authority may result in appropriate action being taken. Discs may be purchased from the Society by the successful exhibitors, at cost.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Parades.—Prize-winning cattle only, will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Beef and Dual Purpose Cattle born on or before 31st August, 1959, shall be rung through the nose and whilst on parade and in judging rings shall be led by such ring.

All male exhibits of Dairy Cattle born on or before 31st August, 1959, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, such bull shall be placed under such control as directed by the Stewards or Society's officials.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. Every poll bull and every wholly or partially dehorned bull entered in the Beef & Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck rope.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

CATTLE

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

Exhibitors are permitted to display cards over the stalls stating that an animal is for sale; such cards not to exceed 12 in. x 10 in. and must not be put up until after 12 noon on Wednesday, 21st September. No other advertisements or notices (except by permission of the Council) are permitted on any stalls or buildings.

An upset price of 100 guineas shall apply for all beef bulls offered in the sale ring.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society. This regulation will be strictly enforced.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

A veterinary service commencing on the Sunday preceding the Show will be available until the Sunday immediately after the Show.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

SHORTHORNS

Exhibitors shall, to the satisfaction of the Cattle Superintendent:

- (i) Keep each stall allotted to them and their stock in a clean and proper condition throughout the Show.
- (ii) Clean out their stalls or boxes before 8 a.m. each day.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding £5 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

All cattle pavilions will be open to the public from 9 a.m. until 5 p.m. daily, and on the first Saturday, the Wednesday, the second Thursday and the last Saturday of the Show will, in addition to the aforementioned period, remain open between 6 p.m. and 9 p.m.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

For particulars of registration in the Poll Hereford Herd Book, apply to the Secretary, Australian Poll Hereford Society, 179 Mary Street, Brisbane, Queensland.

Inspectors appointed by the Australian Poll Hereford Society (Victorian Committee) will examine stock exhibits to ensure that they are correctly and legibly branded in accordance with Herd Book regulations. M. H. MUNCKTON, Esq.
R. C. M. LITTLE, Esq.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Cattle over 12 months of age entered in this Section must be registered in a recognised Angus Herd Book. Animals under 12 months must be the duly recorded progeny of registered parents. For particulars of registration in the Angus Herd Book, apply to the Secretary, The Angus Society of Australia, O'Brien House, 56 Young Street, Sydney, New South Wales.

Inspectors appointed by the Angus Society of Australia (Victorian Committee) will examine stock exhibited to ensure that all are correctly and legibly branded in accordance with Herd Book regulations. The Inspectors shall also check to see that all cattle have had adequate Show preparation and that bulls born on or before 31st August, 1959, are rung through the nose. The Inspectors shall report their findings to the Chief Cattle Steward.

All cattle entered in this Section must be certified tuberculosis free. GUERNSEYS—The Golden Milk and Butter Breed

YARRAVIEW GOLDEN DAFFODIL, still the highest butterfat producer of all breeds in Australia with her lifetime production of 152,593 lb. milk and 8,934 lb. fat. She averaged 12,483 lb. milk and 733 lb. for 12 completed lactations, eight being of 273 days and four of 300 days.

With GUERNSEYS

you have a breed that crosses admirably with other butterfat and milk breeds, balancing their production. It was this quality which enabled three GUERNSEY cows to win the Brisbane Milk Board trophy at the 1959 Royal National for greatest yield of total milk solids against 10 teams of all breeds.

Some 80 Guernsey bulls in Australia have achieved Register of Merit status of the Guernsey Society.

Make YOUR breed the Golden GUERNSEY . . .
the balanced dairy cow achieved by centuries of selective breeding . . . or
use a GUERNSEY bull in your grade herd.

Fame of the Friesian bull for precocity and for improving yields has long been recognised. Depicted here is a typical Friesian sire.

● There are some 290 FRIESIAN studs in Victoria. They can readily supply your needs for bulls.

YEAR by YEAR FRIESIANS

are gaining ground in every country engaged in dairying as a major primary industry.

FRIESIANS are gaining because they consistently give the big yields of milk and butterfat which are the main factor in dairying economy these days.

FRIESIANS regularly lead all breeds for milk production. That is why there is always a premium for in-calf FRIESIAN cows and heifers.

You can ensure High Production, long working life, and robustness and quiet disposition in your herd by using Friesian bulls.

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

GOVERNMENT HERD TEST—INDEX TO EXHIBITORS—CATTLE

PERSONS ELIGIBLE TO RECEIVE PRIZES

The prize for (1) will be awarded to the person in whose herd the cow was tested for the whole or at least the first seven sub-periods of the lactation which gained for the cow the award of Annual Champion Cow for the third time or (in the event of the cow being sold prior to the seventh sub-period of the award-winning lactation) to the purchaser provided that the cow then completes her lactation in his ownership.

The prizes for (2) and (3) will be awarded to the person in whose name the cow was tested for the whole or at least the first seven sub-periods of the award winning lactation or (in the event of the cow being sold prior to the seventh sub-period of such lactation) to the purchaser provided the cow then completes the lactation in his ownership.

Prizes (4) and (5) will be awarded to the person in whose name the herd was tested for the year in question.

OTHER CONDITIONS

The award of the prize for the Grand Champion Cow and the Annual Champion Cow is conditional upon each cow being exhibited at the next succeeding Royal Show unless special exemption for not exhibiting the cow is granted. If the cow is not so exhibited and if a special exemption is not granted a prize of £75 only for the Grand Champion Cow and £6 only for the Annual Champion Cow will be awarded. Likewise the award of Champion Herd is conditional upon three of the best cows of the herd being exhibited at the next succeeding Royal Show unless special exemption is granted. If the cows are not so exhibited and if a special exemption is not granted, a prize of £15 only will be awarded.

TYPE AND UTILITY CLASSES

Prizes are presented by the Government of Victoria.

SPECIAL TYPE AND UTILITY CLASSES are provided in each Dual Purpose and Dairy Breed Section. They will be judged according to the following conditions:—

As a basis of qualification cows competing in these classes must have produced the following amounts of butter fat:—

2 year olds	300 lbs.
3	"	"	350 "
4	"	"	400 "
Mature cows	450 "

The specified quantities of butter fat must have been produced under Government Herd Test, the Victorian Herd Improvement Association or any other recognised testing organisation during a lactation period of 300 days that followed the calving on, between or including 30 August, 1958, and 30 August, 1959.

In the 3,000 lbs. butter fat production class, it is not necessary for cows to have gained a certificate during the aforementioned period.

In all cases where the tests are other than those of the Victorian Standard Herd Test Scheme, certificates issued by the Department or organisation which conducted the tests, must accompany the entry forms.

Judging will be on a type basis only.

No points will be allotted either for production or type.

Competition is restricted to animals entered in the ordinary classes.

SHEEP

Steward in Chief: F. E. SELWYN SCOTT.

Sheep Pavilions will be open to the public 9 a.m. to 5 p.m. daily, and between 6 p.m. and 8 p.m. on Tuesday, 27th, Wednesday, 28th and Thursday, 29th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12 noon on Friday, 30th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 115.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon, Saturday, 23rd July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 14th September, 1960.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with

the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

All sheep entered in sections 27 to 40 inclusive must be recorded in the registered flock of the exhibitor.

Only one exhibitor will be recognised as the owner from any one holding.

All British Breeds Sheep exhibited (except imported sheep, which must be tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be visibly and legibly tattooed with their breeder's registered flock number and the trade mark of the Australian Society of Breeders of British Sheep in accordance with the Rules of that Society.

Sheep in Sections 27 to 40 inclusive, must be penned before 2 p.m. on Sunday, 25th September.

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

Exhibits in the wool are not eligible to be entered in the classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

All sheep in the British Breeds and Poll Dorset Classes (except shorn sheep) over 18 months old must have been fairly and evenly shorn between 1st August and 31st December, 1959. Date of shearing to be given on entry form. Corriedales must be shorn on or after 1st July, 1959.

Inspectors will examine all registered British Breeds, Poll Dorset, Corriedale and Fat Sheep exhibited prior to judging and discard all not up to standard and those not shorn in accordance with the regulations.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1960. No Longwool sheep (except Romney Marsh) entered in a shorn class may have more than one and a half inches of wool on any part of its body at the time of inspection. No Romney Marsh entered in a shorn class may have more than one inch of wool on any part of its body at the time of inspection, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body at the time of inspection.

METTERS ASSURES YOUR STOCK OF A REGULAR WATER SUPPLY

Both the 6-8 and 60-90 gears can be used as an auxiliary to the windmill during windless periods or as a permanent pumping installation.

60-90 PUMPING GEAR

Ensures continuance of water supply — even in windless periods. A versatile gearing ideal for emergency use, as auxiliary to windmill or permanent pumping method. Can be powered in any convenient way . . . by independent electric or petrol motor, or from tractor power take-off, etc., depending on the use to which the gearing is put.

Cradle for mounting petrol or electric motor is standard equipment.

Gearing fits compactly within mill tower. Hook-up to and removal from mill pump rod is quick, simple. Short belt drive for reliability. Double gears maintain alignment.

Used in conjunction with a pressure system, provides "mains pressure" water for household and all outdoor tasks. Operation is automatic.

Available in two models — 60 with 6-inch stroke, 90 with 9-inch stroke.

(A DIVISION OF GENERAL INDUSTRIES)

6-8 PUMPING GEAR

An extremely simple and efficient gearing for vertical pump, also designed for auxiliary windmill service or as a permanent pumping means. Connection to and disconnection from pump rod is made easily in a few minutes. Supplied with 6 or 8-inch stroke as required. Ruggedly constructed for long, trouble-free service. Meshing of helical gear with pinion (integral with drive shaft) forms a simple, effective oil pump which draws on oil in the sump in the sealed casting. Minimum of moving parts and large bearing surfaces reduce friction. Vertical lift is maintained by a restraining linkage. The unit is mounted on a channel iron base together with a Tee-piece and provision is made for mounting a petrol or electric motor. Details readily available.

BREEDERS, JUDGES, HONORARY HELPERS, PUBLIC JOIN FORCES

1960 Royal Outstanding Success

A FINE CO-OPERATIVE EFFORT

The success of the 1960 Show was due to the great co-operative effort by all associated with the various sections of the Show. Exhibitors, stewards, standholders, judges, honorary helpers, the public and the Press, all combined with the Society to make the Show the greatest in our history.

Public approval is best shown by the figures for the attendance which totalled 677,687. This was 24,479 more than in 1959 and considerably more than the previous record which was in 1954. This large attendance was achieved notwithstanding the fact that we were not favoured with good weather.

A strong factor in the increased attendances was the popularity of the Show on the last Saturday when 90,979 were present. This was undoubtedly due to the retention of the animals till the closing hours of the last day of the Show and the provision for a Grand Parade in the final day's programme.

The decision to keep the animals until the last Saturday evening was not made lightly by the Council, who agreed to it after much contemplation and with a full realization of the inconvenience and sacrifice which would be entailed by exhibitors. This co-operation by exhibitors was therefore a very strong factor in contributing to the success of our 1960 Show.

A magnificent entry helped also in enhancing the part the exhibitors played in making a success of the 1960 Show—a contribution for which the president (Judge Mitchell) and members of the Council take this

opportunity to extend to all the exhibitors the warmest thanks for their co-operation as well as congratulations upon the magnificent outcome of their efforts.

ARENA EVENTS

To a highly satisfactory Show other factors contributed—a more varied arena programme (including Go-Karts, Motor Bats, The "Club" Longest Kick in the League, Buck-jumping, Army Commando Display, Police Tent Pegging and a Helicopter Rescue by the R.A.N. The addition of a well-attended Cat Show to the final day's exhibition and a special Rockaganza Dance on the last night both assisted in winding up our biggest Show with a fitting climax.

The success of the Australian Olympic equestrian team, under the captaincy of Mr. Laurie Morgan and the management of Mr. A. R. Creswick who resigned as ringmaster to go to Rome—and in particular the

VISCOUNT DUNROSSIL OPENED 1960 SHOW

The death of His Excellency Viscount Dunrossil, the Governor-General, while this edition of the R.A.S.V. News Bulletin was in the press, came as a shock to members of the Council and the Society.

The President (His Honour Judge Mitchell) expressed the feelings of Council, members and staff when he said:—

Seldom has a Governor-General endeared himself so quickly and so widely to those he came to serve. This is particularly the case with the R.A.S.V. whose invitation (to open the 1960 Show) was among the first Viscount Dunrossil accepted on his arrival in Australia.

Those who were fortunate enough to meet him very quickly realized that he was a man of exceptional wisdom and profound knowledge.

We had only just begun to appreciate

his great qualities and outstanding leadership.

To Lady Dunrossil and their family we can say no more than that we know that the loss we share is a deep and deplorable one.

performance of Mr. J. W. (Bill) Roycroft, helped to add to the interest in the riding and jumping events.

Offsetting the factors which helped to popularise the 1960 Show were some which could have had a different effect on the public, including an unavoidable but long overdue increase in admission prices for adults;

a few wintry days which made for poor arena conditions and in some measure upset the arena programme; and the threat of industrial trouble in the transport industries. None of these—except the weather, which probably caused some preference for the increasing attractions of the domestic hearth—proved effective.

New Works This Year Will Total £30,000

THE FINER POINTS of judging were demonstrated on Dairy Shorthorns in the beef cattle sale ring by Mr. Edward Jackson, of Cumberland (U.K.), after his judging operations were over, at the 1960 Show—and deeply interested a large audience.

EMBARGO ON CATTLE IMPORTATION

In the light of a letter received by the Royal Agricultural Society of Victoria from Mr. K. S. McIntosh, the Director of Veterinary Hygiene of the Federal Department of Health, the Council of the R.A.S. does not seek to alter its previous decision that the question of maintaining the embargo on the importation of ruminant animals into Australia is a matter for the Government veterinary authorities.

This statement was made by the President of the Society (Judge Norman Mitchell, C.M.G.).

The embargo was imposed to prevent the introduction of "blue-tongue" disease into Australia.

"Although there are tests for the diagnosis of blue-tongue," Mr. McIntosh wrote, in response to inquiry on the part of the Council, "these are not satisfactory for determining with certainty whether an animal is actually a carrier of the virus. Hence such tests are extremely useful for the diagnosis of suspected cases of the disease, but could not be relied on to ensure that animals were not symptomless carriers and safe for importation into Australia."

The embargo will be reviewed this year at the biennial conference of Commonwealth and State Veterinarians, says the Director, "but in the light of present knowledge and circumstances there would not appear to be any prospect of its removal in the near future."

Fat Lamb Prize to Girgarre Farmer

The Royal Agricultural Society of Victoria's Fat Lamb Carcase Competition 1960, held in association with the 1960 Royal Melbourne Show, resulted:

1. J. D. McQueen, Girgarre (242 points).

4. H. C. Dick, Cobram (232 points).

5. P. W. Clark & Son, "Coodardy," Whittlesea (231 points).

The prizes (£60, first; £40, second; £25, third; £15, fourth; £10, fifth) were presented by the Australian Meat Board.

The carcasses were judged on February 6 at the Brooklyn works of Thomas Borthwick and Sons.

The judge was Mr. G. E. Fewster, of the Department of Primary Industry.

Council Wins from Staff at Cricket

"How long is this match going on?" inquired the casualty doctor on duty at Royal Melbourne Hospital when the second "cut head" arrived for treatment from the R.A.S.V. Staff v. Council cricket match at the Showgrounds on January 17. The casualties, though painful, were not so serious as they at first appeared. Mr. H. A. Mullett, one of the trustees of the Society, and Mr. Gordon Eastwood, a member of the Staff team,

both sustained head wounds — Mr. Mullett while acting as umpire, Mr. Eastwood while wicket-keeping. Neither suffered any serious after-effects.

The match was won by the Council team captained by the president, Judge Mitchell, its first victory in four matches. Council and Staff have now won three matches each in six years.

Captained by the Secretary, Mr. Woodfull, the Staff batted first and each

amenities in the members' dining room, including rubber covering for the floor.

It is proposed also to spend £3,500 on the western horse area, including a substantial sum for fencing; £2,500 on a complete toilet block in the western area; £3,000 on sealing the new side-show area and £1,000 to seal the pathway in the western sideshow area. An underground drain to Epsom Road will cost £2,500.

Additional showers and lockers will also be made available for dairy cattle exhibitors.

New catering facilities will also be carried out.

MR. ALEC CRESWICK EQUESTRIAN PRESIDENT

Mr. Alec R. Creswick, of "Kent Park," Lower Ferntree Gully, R.A.S. councillor and former ringmaster, has been elected president of the Equestrian Federation of Australia (Federal Council). Mr. Creswick is also a member of the V.R.C. committee.

R.A.S.V. TO STAGE BLOOD HORSE SHOW IN MARCH

Breeders and Race Clubs Co-operate

A blood horse show will be conducted by the R.A.S.V. in association with other organizations interested in horse breeding and training, at the Royal Melbourne Showgrounds on Sunday, March 12.

The Show will be the first conducted by the Society ever devoted exclusively to blood horses. It will be the first time the R.A.S.V. has conducted an Autumn Show of any kind since May, 1920, when a special exhibition of stock and produce was staged on the occasion of the visit of the Prince of Wales (now Duke of Windsor).

The Show will be held on the afternoon of the Sunday upon which yearlings are paraded before the yearling sales which open on the following Tuesday. Entries will close with the Secretary of the R.A.S.V., Mr. H. T. C. Woodfull, at the Showgrounds, Epsom Road, Ascot Vale, on February 22.

The Show, it is felt, will give breeders the advantage of competition and the public the opportunity of inspection and comparison, under Show conditions. It should help also to improve the breeding of horses in Victoria.

Breeding circumstances have prevented holding a horse show of this kind in association with the Royal Melbourne Show, which is held in September.

The R.A.S. Blood Horse Show has been entrusted by the Council to a committee of its members, comprising Mr. Owen Moore, Sir Rupert Clarke, Messrs. A. R. Creswick, Robert Hunter, David Knox, P. B. Ronald, and Rupert Steele.

In organising the Show the Society has had the co-operation of the Victorian Racehorse Owners' Association, Blood Horse Breeders' Association, Victoria Racing Club, Victoria Amateur Turf Club, Melbourne Racing Club, Moonee Valley Racing Club, Victorian Trainers' Association, Wright Stephenson & Co., and the Australian Bloodstock Agency.

MISS SHOW GIRL 1960 was a helpful as well as a distinctive figure, presenting ribbons and congratulating successful exhibitors. The picture shows, at the Centenary Hall, Miss Show Girl (Miss Margaret Franc, of Beaufort) with (left) Mr. F. Rourke, compere, and (right) Miss Judith Walters, of Apollo Bay (runner-up), Miss Jan Sheedy, Pakenham (third in Show Girl Quest), Mr. W. C. Greaves (Steward-in-chief, fleeces and shearing), Miss Dot Jones, of The Sun-Pictorial, Miss Jocelyn Terry, HSV Channel 7, Mrs. Batten and Mr. Les. Batten.

"Sample" Eggs and Ties For Press and Judges

At least as far as the Press is concerned, the Show retained some of its old-time "free samples" atmosphere in 1960.

The Press conference is a distinctive feature of the Melbourne Royal, to which, every day, judges, winners of the more spectacular contests and trophies—the Garryowen and the shearing competitions, for instance, and distinguished visitors are brought to meet the Press, T.V. and radio representatives who cover the Show.

On succeeding days, the Wool Bureau and the Victorian Egg and Egg

Pulp Marketing Board availed themselves of the conference as a means of promoting their respective products. Miss Nan Sanders, Director of Promotion of the Wool Bureau, attended with models who had been taking part in the Wool Carnival fashion parades and who presented woollen ties to all the men present, including Mr. G. Rankin, Shorthorn judge.

Col. McArthur, a member of the Egg Board, arrived next day with eggs packaged in dozen lots, which were similarly distributed around the conference table.

SKILLED WORKERS SEEK EMPLOYMENT

The Society and some members of the Council from time to time receive applications for employment from experienced stud and farm workers.

The Secretary (Mr. H. T. C. Woodfull) will be happy to supply details to any members interested, on application

Class 14. **Champion Filly.** Winners Classes 3, 4 and 7. Prize: Trophy to the value of £100 and Sash.

A trophy for the most successful exhibitor and a trophy for the most successful trainer will be awarded, as well as special trophies and prizes to trainers and attendants in the various sections.

ROYAL AGRICULTURAL SOCIETIES POOL IDEAS

Pooling of experience and ideas with a view to the evolution of a mutually helpful policy of co-ordination may be the outcome of the annual conference of Secretaries of the Royal Agricultural Societies of the several States.

The second of these was held in December in Melbourne, under the chairmanship of Mr. H. T. C. Woodfull.

Among the subjects discussed were judges' expenses; storage rates for wool, etc., at Showgrounds; hire charges for oval or buildings; television; public relations; official catering; ring at-

tractions; registration of saddle horses and Show jumpers; bedding of stock; fodder at Showgrounds; cleaning of stock pavilions; standardising of award ribbon colours; charity concessions in Show admission; restriction of entries.

The conference closed on a note of mutual aid and general co-operation.

CAT SHOW BACK

Cats returned to the benches of the Royal on October 1, the last day of the 1960 Show, for the first time in 23 years.

An excellent entry of 400 brought 238 cats to the Goat Pavilion, where they were benched under the Council stewardship of Sir Edgar Coles.

The Society received so many requests to establish a Controlling Council for Cats that a referendum was held among exhibitors of cats.

The question asked was: **Are you in favour of the Royal Agricultural Society**

of Victoria establishing a new Governing Council to control the registration and exhibition of cats in Victoria along lines similar to those exercised by the Kennel Control Council of Victoria?

The voting resulted:—**Yes, 104; No, 20; Failed to Vote, 150.**

So many failed to vote that the Council at its February 14 meeting decided to take no action until a substantial majority demonstrated it wanted a R.A.S.V. Committee appointed.

Prize Winners on Council

Outstanding success as a prize-winning exhibitor, on the part of one member of the Council, was a feature of the 1960 Show.

This was G. Starritt and Son, of North-West Mooropna. Mr. G. R. ("Ray") Starritt is a popular member of the Council.

The G. Starritt and Son record at the Show was: 4 firsts, 2 seconds, 1 third, Grand Champion Bull, Grand Champion Cow, Sires Memorial, in the Shorthorn section and 1 second in fleeces.

Dr. F. G. Stephens, of "The Uplands," Terrara Road, Vermont, also did well, with 4 firsts, 8 seconds, 2 thirds, 1 fourth, and second in the Melbourne Guernsey Classic, in the Guernsey section.

Other prize winners among Councillors and their families were J. M. Gardiner, Esq.; J. Bott, Esq.; Sir Rupert Clarke; K. G. Luke, Esq.; P. J. R. Steele, Esq.; K. A. Drummond, Esq.; W. A. Angliss, Esq.; J. M. Buchanan, Esq.; W. C. Greaves and Son; and Miss Lois Coles.

Management's Part In Farming R.A.S.V. £500 Award

The Victorian Farm Management and Improvement Competition for 1960, the first of its kind conducted by the R.A.S.V., is the subject of an exhaustive report on the part of the judges, Messrs. W. A. Angliss, Councillor of the R.A.S.; G. R. Lambert, Chief Valuer for Victoria, Commonwealth Banking Corporation; and A. Lloyd, Senior Lecturer in Agricultural Economics, University of Melbourne.

The report has been printed as a brochure and is available on application to the Secretary, Mr. Woodfull.

The value of the report to farmers and students is suggested by Mr. Woodfull's comment in the foreword.

"It shows," says Mr Woodfull, "that successful management in primary enterprises today requires, beyond the agricultural and veterinary knowledge and skills of the farmer, a willingness to maintain essential records and to use these to budget for and plan future activities."

SHOW FILM FOR YOUNG FARMERS

An excellent 16 mm. colour sound film of the 1960 Royal Melbourne Show, made by Sir Edgar Coles and shown to Councillors at their December meeting, when they were the guests of Sir Edgar at the head office of G. J. Coles and Co. Ltd., 236 Bourke Street, was presented to the Council at its first meeting for 1961.

The Council enthusiastically thanked Sir Edgar for his gift and decided to give Young Farmers' Clubs the use of the film on request, provided efficient projector and projectionist are guaranteed.

Sir Edgar Coles managed to fit in his film-making between intervals of honorary chief-stewardship of the Cat

Show and other commitment tasks.

The film, which has a commentary by Ray

Chapman, is edited down from 2,500 feet to a good coherent story which runs about half an hour.

THE WOODCHOPPING EVENTS made a good action shot for Sir Edgar Coles in his capacity as cine-cameraman.
