CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, 33 Macquarie Place, Sydney, N.S.W.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Thursday, the 22nd September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

(i) The animal has died.

- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

"IN MILK" AND "DRY" CLASSES AND SUCKLED KIDS

Doe entered as "in milk" can be transferred to a "dry" or un-kidded class, whichever is applicable, if she has not kidded prior to judging day, or vice versa.

Does in milk must be at the Grounds on Wednesday, 14th September. They will be fully milked out and stripped dry between 8 p.m. and 9 p.m. in the presence of the Stewards or whom they may appoint. (See Classes 16 and 17 for 24-hour milk production record.) They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out.

Kids not entered for competition will not be permitted in the Show Grounds unless actually being suckled by their mothers, which must be entered for competition.

Judges have the right to order any Doe competing for Championships to be milked dry before finally awarding the prizes.

PAVILIONS OPEN TO PUBLIC

The Goat Pavilion will be open to the public between 6 p.m. and 8 p.m. during the evenings of Saturday 17th, Tuesday, 20th, Wednesday, 21st, Thursday, 22nd September.

JUDGING AND PARADES

GOATS

Attendants leading goats in the judging ring or on parade must wear uniform grey coats.

Good quality coats can be supplied by the Society at \$5 each on return of which at the conclusion of the Show a rebate of \$4 will be made providing that the coats are in good condition.

Prize-winning goats only will be permitted to take part in parades. All prize-winning dairy goats must be taken out on parade, in accordance with the printed programme. Prize-winning Angoras may also be paraded provided they can be suitably led. Exhibitors shall be subject to a fine of one dollar in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. Attendants leading goats in the judging ring and during parades must wear the exhibit number of the goat. No ribbons will be permitted on exhibits except those won during the Show.

AGE OF EXHIBITS

The Society's Veterinary Surgeon's decision regarding age shall be final.

INSPECTION OF STOCK

Inspectors appointed by the Goat Breeders' Society of Australia (Victorian Branch) will examine stock entered for exhibition to ensure that all are tattooed in accordance with the Herd Book Regulations. Any found not correctly or not legibly tattooed may be disqualified.

Exhibitors in the Stock Sections shall also, if requested by the Steward-in-Chief of the Section or by the Secretary or his agent, submit his exhibits, in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Any marks of speying on females shall disqualify them from competing in such Classes.

RUGGING

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

CLEANLINESS OF PENS

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Steward-in-Chief: J. M. GARDINER, Esq.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 24th September. Pigs entered in Sections 52 to 56 must be penned not later than 12 noon on Wednesday, 14th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, W.2, before 4.30 p.m. Monday, 18th July. Entry fee must accompany each entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than \$10 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must be in pig or have produced a recorded litter within 9 months prior to 15th September, 1966. The date of birth of such recorded litter must be stated on the entry form.

All boars over 12 months old must have had their tusks cut back to gum level two weeks prior to the Show, and the Superintendent is empowered to remove from the Show Grounds any boar whose tusks have not been cut.

Other than in the aged classes for boars and sows in which the entry is limited to one from each exhibitor the entries are limited to two from any one exhibitor in each class.

All exhibits must be registered in the Herd Book in the name of the exhibitor.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be painted branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PAVILIONS — HOURS OPEN TO PUBLIC

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 14th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

INSPECTION — SHOW STANDARD AND HEALTH

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.

CONDITIONS

Classes 61 and 62.

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs entered must have been sired by a pure-bred boar (not necessarily registered) but need not necessarily have had a pure-bred dam.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, at any time on Monday, 29th, and Tuesday, 30th August, and Monday, 5th and Tuesday, 6th September, 1966. The company will kill and treat the pigs as soon as practicable after arrival and will store the carcasses until they are judged and the prizes awarded. The pigs will become the property of Messrs. J. C. Hutton Pty. Ltd. at the time they are slaughtered and that company will pay competitors for their pigs at current market values.
8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. The weight of the dressed carcase must be not less than 70 lb. and not more than 100 lb. in the Pork Class and not less than 120 lb. and not more than 160 lb. in the Bacon Class.
11. The carcase will be judged under the Victorian Department of Agriculture appraisal system with a tolerance of 2 points per lb. over or under the specified weight.

BACON AND PORK PIG COMPETITIONS

12. A score card signed by the Judge and giving his detailed awards for each feature of each carcass will be made available to the owner of each pig whose carcass is judged.
13. An endeavour will be made to display the best of the carcasses in the refrigerated case in the Centenary Hall.
14. No entry will be entitled to a Cash Prize if it secures less than 50 points out of the total 100 points allotted for carcass appraisal.
15. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at the office of the Society, Show Grounds, Epsom Road, Ascot Vale, W.2, before 4.30 p.m. Monday, 15th August. Entry fee must accompany each entry.
16. Each competitor shall tattoo or earmark his pigs with the exhibit entry number in addition to hair-clip marking and such identification marks shall be clearly shown on the entry form and notification made to Messrs. J. C. Hutton Pty. Ltd. when forwarding advice of despatch. The Council shall reserve the right to refuse to accept any entry which is not clearly identifiable.
17. It is desired that advice be given by each competitor, not less than 7 days before delivery, to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, of the time and method by which his pigs are to be delivered to the Works.

The greatest care will be taken of the exhibits, but the Society will not be responsible for any accident, mistake, loss or damage from whatever cause arising, the exhibits being at the sole risk of the exhibitor. In case of the death of any exhibit, the same shall be certified by the Veterinary Surgeon or his deputy.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 14th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 14th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Labels and despatch slips will be sent for each pen, when the exhibitor is not a resident of Melbourne or suburbs. On the reverse side of the labels exhibitors will be required to write their names, addresses and instructions for the return journey. Country and interstate exhibitors must inform the Director, by post or telegram, of the despatch of their exhibits, giving full particulars, in order that arrangements may be made for receiving them. Several birds may be sent in one hamper or box if it be properly divided and pen numbers attached to each division. When the exhibitor resides in or near Melbourne, "Entry Tickets" and metal leg bands only will be sent, the corresponding numbers being affixed to the exhibition pens by the Society. Labels and despatch slips, if required, will be supplied on application.

A commission of 5 per cent. will be charged on all sales effected by the Superintendent on behalf of exhibitors.

No advertisement or notice (except by permission of the Council) is permitted on or in any pen, stall or building.

All delivery charges including packaging costs in respect of all purchases of birds will be the responsibility of the vendor and will be paid prior to delivery from the Show Grounds.

THE ALL-ALUMINIUM BODY OF

MEANS YOUR RE-SALE IS BETTER BY

\$200

If our engineers would agree to put a steel body on the Land Rover, it would save the company a lot of money and our accountants would be delighted. But when it came to re-sale time **you** wouldn't be so happy. Seventeen years in the 4-wheel drive business has given our engineers and owners time to study the pros and cons of both metals very, very thoroughly. And they insist that aluminium is a "must" for a vehicle of this type. Here's why:

It takes knocks better. The high-tensile aluminium of a Land Rover body will absorb a shock 3 times greater than the shock that will dent a conventional steel body.

It won't rust — ever. 4-wheel drive vehicles work in conditions which inevitably damage paint work. Even exposed aluminium simply cannot rust.

It doesn't corrode. Sooner or later a 4-wheel drive vehicle finds itself carrying "super" or

other corrosive materials that play havoc with steel. Land Rover's aluminium tray remains totally unaffected.

It makes for a safer vehicle. Aluminium is one-third the weight of steel so a Land Rover's centre of gravity is lower and its traction is better. All this adds up to another reason why Land Rover's re-sale value is so high. Five or ten years from now you'll be glad you thought of this.
