THE BIG ATTRACTION

If the kids start dragging you over to our Showgrounds Branch it's not because they want you to discuss banking. Nor to chat with our host manager down from a country branch. And they don't want you to talk business with our Development Bank officers either. What the kids want are Commonwealth Bank super novelty items. It's worth a visit to the Show just for these.

BANK COMMONWEALTH

Horse's Name	Accumulated Grading Points	Rider's Date of Birth

ALL COMPETITORS MUST BE IN POSSESSION OF A CURRENT DRESSAGE PERFORMANCE CARD ISSUED BY THE RESPECTIVE BRANCHES OF THE EQUESTRIAN FEDERATION OF AUSTRALIA.

Acceptance of horses in Dressage competition shall be based on those horses with the highest grading performances.

In all Dressage tests, the Judges, at their discretion may eliminate any competitor who falls below the standard required.

All tests may be called. Callers should note that any variation from the printed text shall incur elimination.

A whip may be carried in the Elementary Dressage tests, but not in any other tests.

Such deposit shall be refunded to the owner provided the horse concerned competes in all classes for which an acceptance was lodged. Deposits will not be refunded in respect of non-starters save by the production of a veterinary and/or medical certificate which supports such scratching.

Competitors must report to the Marshal and be prepared to compete at least 20 minutes prior to their advertised starting time for gear inspection. Failure to do so will entail elimination.

The judging of Dressage tests will be conducted over two days, Elementary standard, Advanced standard and Prix St. Georges will be conducted on the first day and the Medium, Intermediate and Grand Prix Tests will be judged on the second day. Each horse may only compete in a maximum of two Tests each day.

Good beers don't just happen!

The brewing of good beers requires many things.

The best of ingredients, the most advanced equipment, and a highly-trained technical and scientific staff are just some of the requirements.

Carlton & United has all these things. And more. Victorians have developed their taste for Carlton beers over more than 100 years.

A taste for "good beers that don't just happen".

"GOOD HANDS" COMPETITIONS

1642 THE "GOOD HANDS" CHALLENGE TROPHY FOR GIRLS.

110
S. Butler
Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

1643 THE "GOOD HANDS" CHALLENGE TROPHY FOR BOYS.

328
G. Henderson
Presented by Mrs. HAROLD BARTRAM for competition in perpetuity at the Royal Melbourne Show.

QUALIFYING COMPETITIONS.

1. Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch) and each Country Agricultural Society in Victoria is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 years and under 15 years of age on the day of its show.

IT IS COMPULSORY FOR COMPETITORS TO RIDE USING AN ORDINARY SNAFFLE (i.e. a plain snaffle with a straight bar or jointed in the centre. The mouthpiece must be smooth).

2. Each Society conducting qualifying competitions is required to notify the Royal Agricultural Society of Victoria of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given the "runners-up" to compete in the Championship Competitions.

3. Such competitions to be named "The Good Hands Qualifying Riding Competitions," and the Royal Agricultural Society of Victoria to provide suitable certificates for presentation to the winners.

4. The holder of a R.A.S. Qualifying Certificate, won in the same year, shall not be eligible to compete.

5. The competitors shall be judged solely on their riding ability — mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.

CHAMPIONSHIP COMPETITION

6. Only holders of qualifying certificates won during the preceding twelve months will be eligible to compete for the Challenge Trophies at the Royal Melbourne Show. No entry fee will be charged.

7. The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his award, shall require his six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back, all six using the mount or mounts selected by the Society. (See regulation regarding saddlery in 1).

8. Eligible competitors are accepted on the condition that they will be prepared to provide the selected mount.

9. The names of the winners will be engraved on the Challenge Trophies.

10. Suitably inscribed Championship Sashes will be presented to each successive winner of the Challenge Trophies.

11. The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.

12. The Council of the Royal Agricultural Society of Victoria may, at its discretion, vary the conditions governing the qualifying and Championship Competitions.

13. All entries must be lodged with the Society by 5 p.m. on Wednesday, September 20th.

Riding boots must be worn in all events other than those which incur foot running by the competitors. Gymnasium boots or sand shoes are allowed for these events, but crepe or ripple soled shoes are banned (for safety's sake), in all events.

ENTRY FEES: \$10; R.A.S. of V. Members, \$5.
PRIZES: \$30, \$20, \$10, \$5 (unless otherwise stated).

FLAG RACE CONDITIONS

Four barrels to be placed in a straight line 10 yards apart, the outside barrels at least 10 yards from the nearest fence or obstacle.

Flags to be placed nine yards (27 ft.) apart in straight rows of six (6). Each row to be 10 yards apart.

First flag to be nine yards from the barrel. Each measured position of blocks and barrels to be marked with substance provided. Blocks to be placed on appropriate spots, with rods in place in drilled holes.

RULES FOR FLAG RACE COMPETITION

1. Competitors to start on left hand side of barrel and turn their horses on the right (off side) rein.
2. Competitors must place each flag in the barrel before the next flag is picked up. The farthest flag should be picked up first. If missed, competitor may pick up another flag on the way back to the barrel, but must return to the first flag next time.
3. Horses will start on left side of barrel and will finish immediately the competitor places the last (6th) flag in the barrel and horse crosses the finish line.
4. (a) A competitor may use the full distance between lanes, but will be disqualified for crossing another competitor's row of flags.
(b) Competitors who knock down another competitor's flags or barrel will be disqualified and must withdraw immediately.
(c) If a competitor's flag or barrel is knocked down by another competitor, these must be immediately placed upright by the lane stewards. If the stewards have insufficient time to do so, and the competitor had a good chance of being placed first, the Judge shall decide whether to allow him another start in a heat or put him into the semi-final or final, as the case may be.
(d) If there are less than four (4) starters in a heat, the vacant row of flags must be left in position, and the competitor in the adjoining row must not cross over these.
(e) If a competitor is disqualified for breaking this rule, that competitor should retire from the course without causing further interference to the other competitors.
5. (a) If a competitor knocks over his or her own barrel, it must be placed upright by said competitor before any more flags are placed in it.
(b) If the flags that were already in the barrel fall out when the barrel is knocked over, they may be placed back in by the competitor without having to remount.
(c) If a competitor drops a flag or knocks down his or her barrel, that competitor may not use any outside assistance or property of the event to (1) pick up flag; (2) replace barrel; or (3) remount horse.
(d) All flags must be placed in the barrel with the competitor mounted. If a competitor can pick up a dropped flag without dismounting, he may do so, but if not, they must dismount and pick up the flag, mount, and place it in the barrel.
6. (a) If a competitor's flag stick breaks, one broken piece may be placed in the barrel and counted as a complete flag.
(b) If the flag material comes apart from the stick, the broken stick rule will apply, and the flag material may be placed in the barrel and counted as a flag.

7. If a flag lands horizontally on top of the barrel, it shall be judged out of the barrel, and must be placed in same by the competitor, but if any portion of the flag stick, except the material, is inside the barrel, although it may be protruding at an acute angle, it shall be judged in and not need to be touched by the competitor. However, if that competitor tries to rectify the position and the flag falls out before the last competitor has completed the course or retired, that flag shall be judged out, and the course incomplete.
8. After a flag race is finished, the judge must inspect the barrels and make sure that all six (6) flags have been placed in each barrel. If any flags are found to be out, that competitor will be disqualified or given the chance to complete the course if the placings depend on that course being completed.
9. Competitors in outside lanes will be disqualified if they exceed the distance allotted between lanes.

This is a bareback event. Four starters in each heat.

Competitor and mount will be at starting line.

Upon the signal to GO from the starter, competitors will go beyond a given line with their mount, dismount and retrieve ball, and then remount and ride to finish line, placing ball in drum, repeating once if two balls have been placed at end of course.

Length of course will be left to discretion of judge, but barrels should be at Flag Racing distance, 10 metres apart.

If ball is dropped by competitor he must retrieve ball, and be mounted when placing ball in drum.

In this event, competitors will start on the left side of the barrel and turn their horses on the right (off side rein) at the barrel.

A competitor who places his ball in the wrong drum will be disqualified.

Special Rules.

Speed: 400 metres per minute.

SPECIAL PRIZES, \$250. First, \$100; second, \$60; third, \$30; fourth, \$25; fifth, \$20; sixth, \$15.

CONDITIONS

This Competition takes place over medium sized obstacles and is a timed Competition for which the Order of Jumping must be drawn. Combination obstacles are not permitted.

Each Competitor will jump the course in the correct order for one minute and will gain three points for each obstacle jumped clear and one point for any obstacle knocked down. An obstacle is not considered to have been jumped until the horse's fore feet have touched the ground on landing.

First and second disobediences over the course or fall of Horse and/or Rider do not count as they will increase the time. At the third disobedience the Competitor will be eliminated. If an obstacle is displaced as the result of a disobedience, even if the displacement is of a lower element in the same vertical plane, it will count as a knockdown and the Competitor must proceed to the next obstacle.

The winner will be the one with the greatest number of points and, in the event of equality of points, time decides. When the time limit is reached, the bell will be sounded and the Competitor must go through the Finish from either direction. The Finish will be as near the centre of the Ring as possible.

If the time allowed expires during a disobedience, the Competitor must continue to attempt to jump the obstacle before proceeding to the finish.

If a Competitor takes the wrong course he will be eliminated.

Country except that in which its nominator is resident. The committee may in its absolute discretion accept the nomination of a composite team from States, Dominions or Countries provided that such team does not consist of more than 50% of horses and/or riders from any one State, Dominion or Country.

Nominations must be submitted to the Director in writing not later than 6 p.m. on the day preceding the day on which the event is scheduled to be contested.

Each team is required to jump two distinct rounds over the same course at a rate of 400 metres per minute. To be tried over a course as stipulated by the Committee.

The classification of the teams is established by totalling the faults over the jumps and those for time incurred by the three best horses of each team in each round.

If, for any reason, a competitor does not finish the course at any stage of the competition the team is not thereby eliminated, but can continue. But each horse eliminated or withdrawn during a round is penalised by 20 faults added to the faults incurred by the competitor belonging to any team who has the most faults over the same course during the same round. The actual faults made by the horse that was stopped do not count; they are replaced by those of the horse which had the worst round, unless he himself had the most faults, in spite of having been eliminated or withdrawn.

The prize money will be divided among the owners of the horses in the winning teams. Riders must be 15 years of age or over on the first day of the Show. Should a team win this contest after its third horse has completed its second round then the fourth horse may be withdrawn. The order in which the horses compete will be decided by lot. The captain of each team then decides the order in which he wants his riders to start. All those numbered one go first, then all those numbered two, and so on.

All the horses in the team may take part in the jump-off, if there is one. In case of equality for first place, the time of the three best horses of each team in this jump-off decides.

The Committee reserves the right to invite riders from overseas countries not specifically mentioned herein to take part in this contest either as a team or as a member/or members of a composite team.

Specified rate — 400 metres per minute.

The Strzelecki forests — tall trees grow again

New Mountain Ash forest planted on former farmland.

Reforestation in the Strzelecki Ranges which form the southern rim of Victoria's Latrobe Valley is a major project being carried out by the Forests Commission of Victoria and A.P.M. Forests Pty. Ltd.

Pioneer settlers cleared most of the steep slopes of the ranges for agriculture during the latter part of the nineteenth century.

Over two generations many of the settlers moved on to more suitable land and the farms gradually reverted to scrub, bracken and noxious weeds.

Today the Forests Commission and A.P.M. Forests are replanting the area with trees. To date the company has established about 5000 hectares each of eucalypt and pine plantations and is continuing to plant additional areas every year.

6. Unless otherwise stated all entries in this Section are required to be grass-fed. "Grass-fed" means that the exhibit has been grazed on pasture or crop and may have received hay ensilage or grain; but must not have been stall-fed or feed lotted.
7. All cattle exhibited in this Section must be certified Tuberculosis free. (See regulation at head of Cattle Section.)
8. The Council reserves the right to display all or any part of any carcass in the refrigerated showcase at the Meat Hall.

9. AN ANIMAL ENTERED IN ANY FAT CATTLE CLASS FOR AN EXHIBIT OF AN AGE UNDER 18 MONTHS SHALL BE INELIGIBLE FOR A PRIZE IN ANY SUCH CLASS IF AT THE TIME OF INSPECTION OF THE EXHIBIT AT THE SHOW GROUNDS IT HAS OR SHOWS, IN THE OPINION OF THE CHIEF STEWARD OR HIS NOMINEE, EVIDENCE OF HAVING HAD A PERMANENT TOOTH AND AN ANIMAL ENTERED IN ANY FAT CATTLE CLASS FOR AN EXHIBIT OVER 18 AND UNDER 21 MONTHS SHALL BE INELIGIBLE FOR A PRIZE IN ANY SUCH CLASS IF AT THE TIME OF INSPECTION AT THE SHOWGROUNDS IT HAS OR SHOWS EVIDENCE OF HAVING HAD MORE THAN TWO PERMANENT TEETH. A TOOTH WHICH HAS ERUPTED FROM THE GUM IN WHOLE OR PART SHALL BE DEEMED TO BE A PERMANENT TOOTH.

GENERAL JUDGING RULES AND ARRANGEMENTS

1. Fat Cattle exhibits are required to be in their allotted pens at the Show Grounds by 9.00 a.m. on Tuesday, 19th September, 1978, unless otherwise advised. A complete Timetable of Arrangements for this Section will be forwarded to each Exhibitor prior to the Show.
2. In classes where three animals are penned the prize is awarded on the basis of total points scored by all three exhibits in either the live judging or carcass judging and not on the basis of the best individual of the three penned.
3. The Chief Steward may, at his discretion, transfer any animal or pen of animals from the class in which they were entered to any other class.
4. In single animal Classes 2811 to 2822 exhibits not be awarded a points score when judged alive, but will be placed first, second and third at the Judge's discretion.
Pens of animals entered in Classes sponsored by the Australian Meat & Livestock Corporation will be judged alive on the scale of points recommended by the Australian Meat & Livestock Corporation thus:—

	Points
1. Conformation	25
2. Weight	10
3. Degree of Finish	10
4. Evenness of Pen	5
	50

5. In general cattle will be judged for maturity, quality, conformation, weight and evenness of finish, coupled with the least waste.
Carcass Judging
6. Except where otherwise stated carcasses in this Section will be judged by the Australian Beef Carcass Appraisal System.
7. Bruising will not be taken into account.

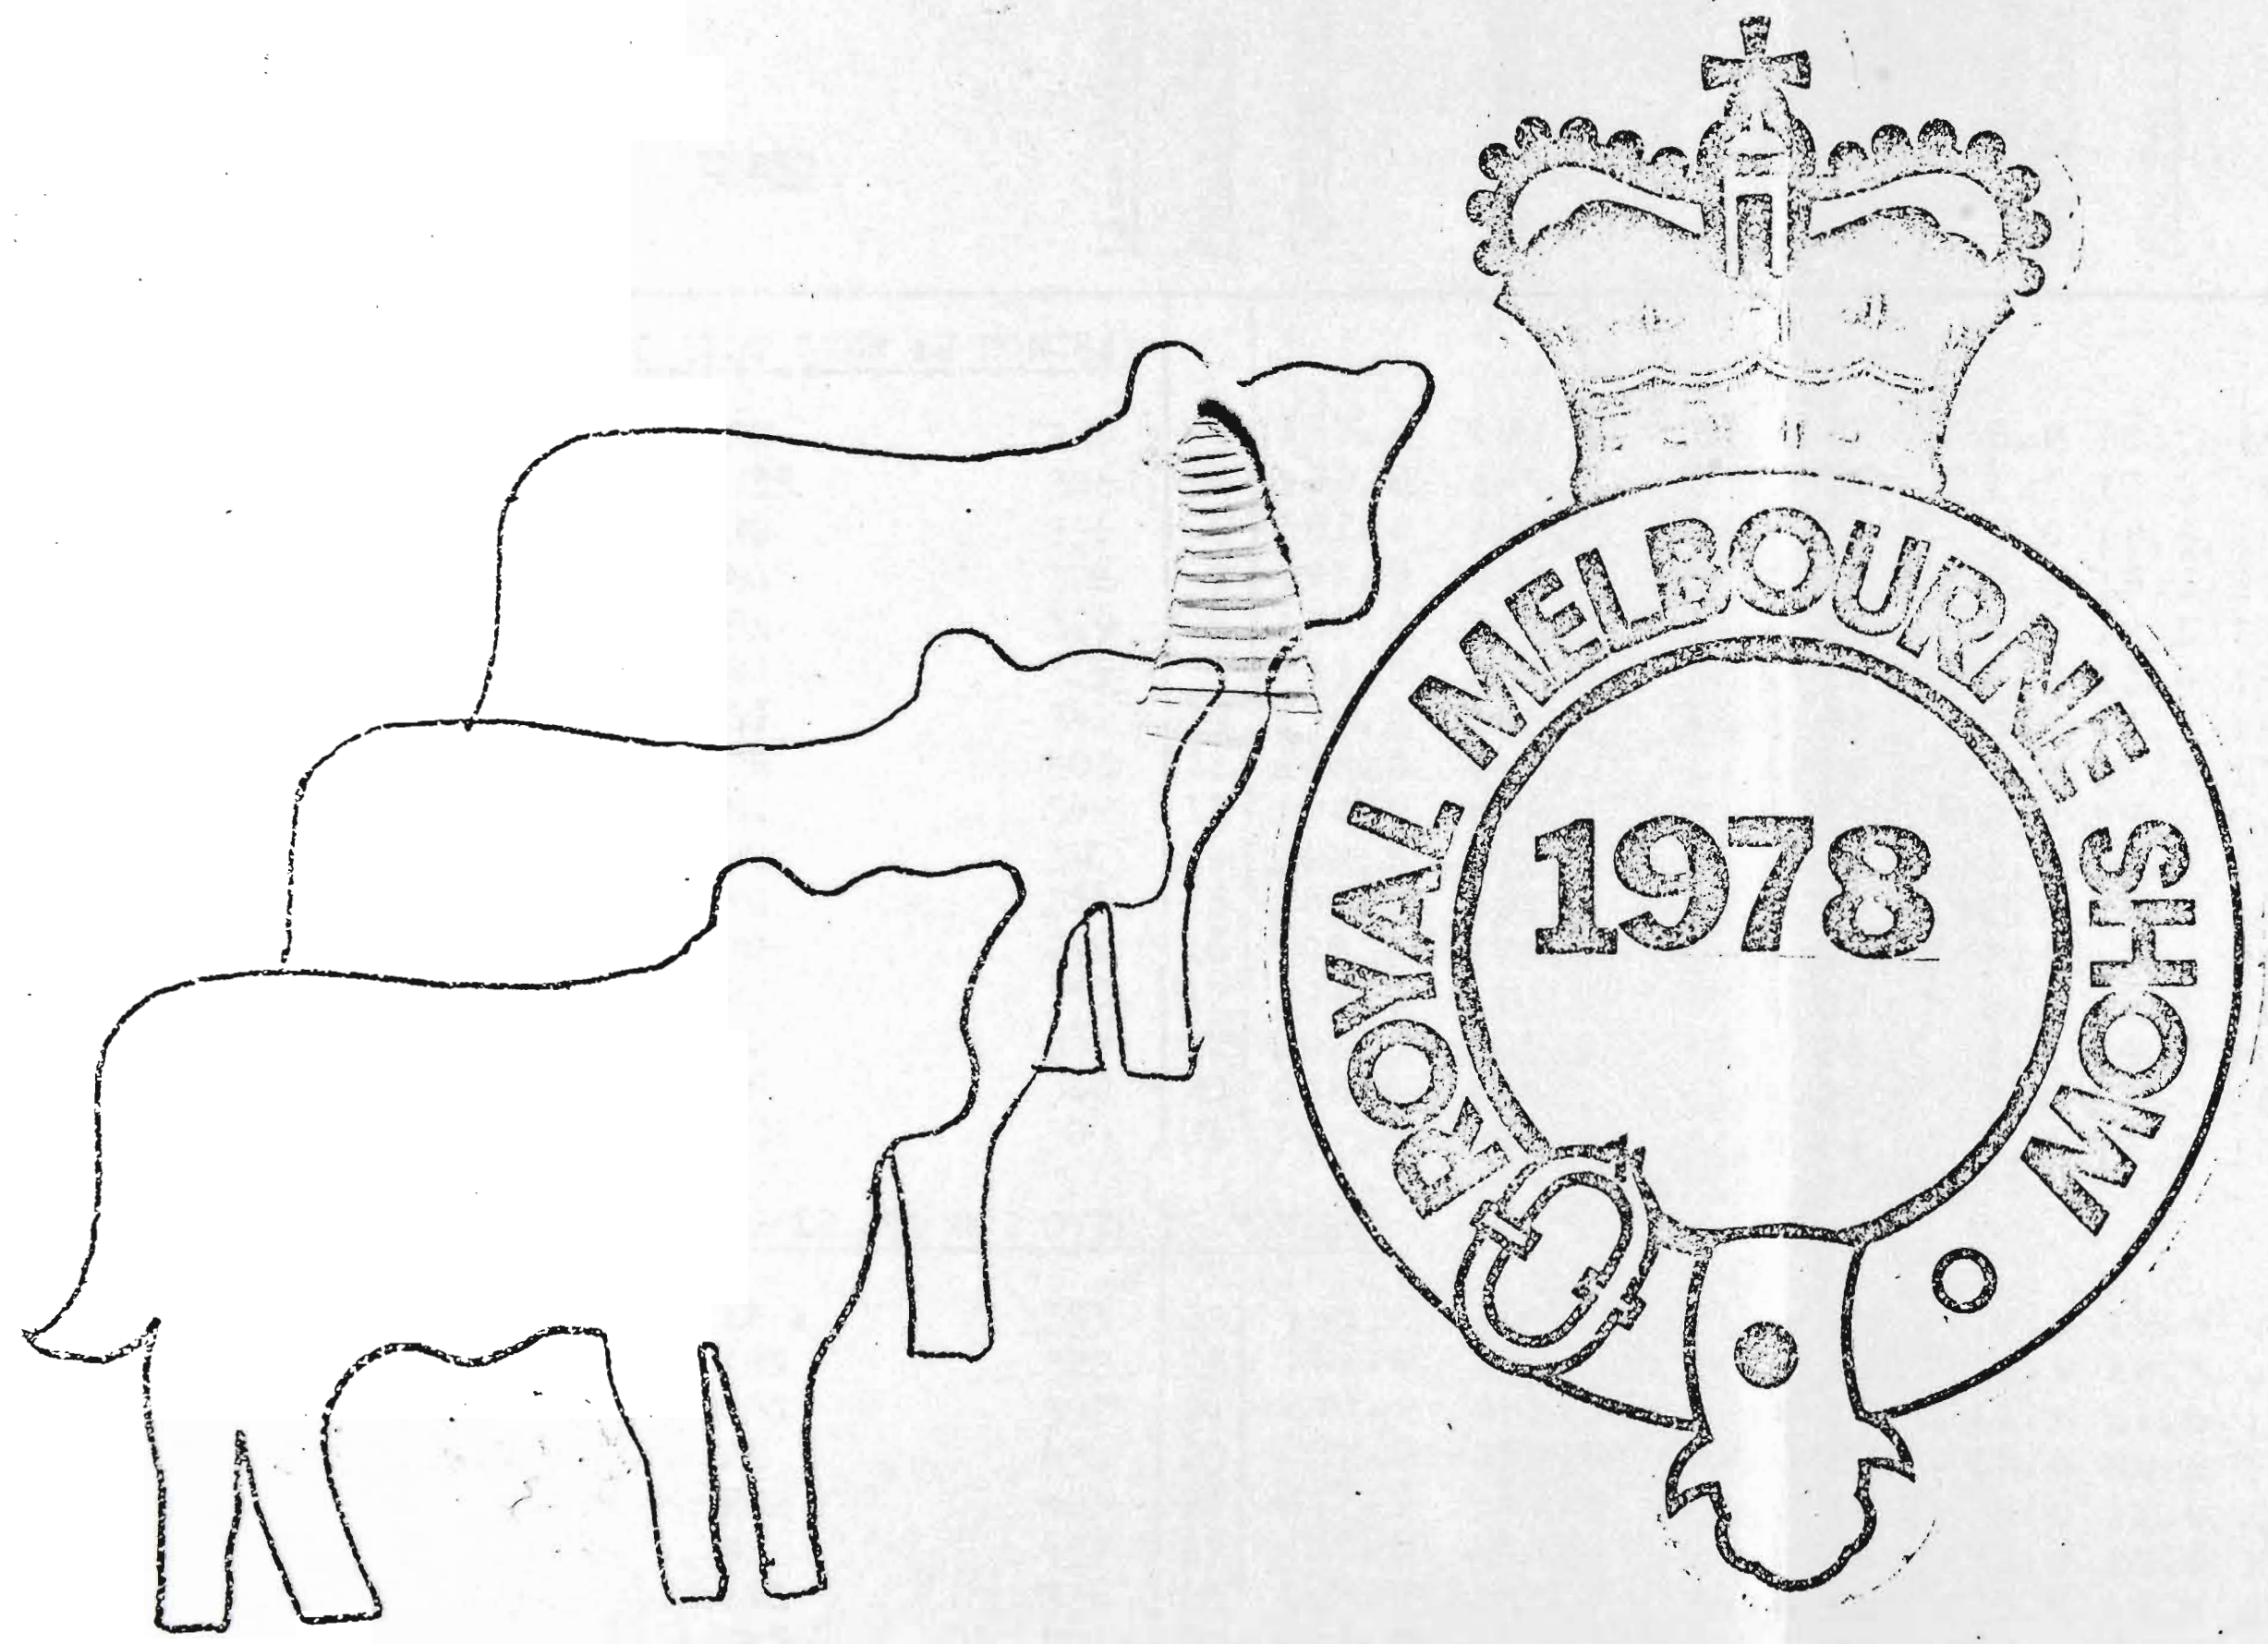

ACQUISITION AND DISPLAY OF CARCASSES

Depending on the number of entries received, the Society reserves the right to arrange the judging
