## SCHEDULE OF CLASSES, PRIZES AND RULES APPLICABLE TO HORSES IN ACTION CLASSES

### CONDITIONS OF ENTRY

101. The rules appearing in this Schedule form part of the regulations and conditions of entry to an Event at the Show. In the event of any inconsistency between the Regulations and these rules, the Regulations shall prevail to the extent of the inconsistency unless the Regulations provide otherwise.

102. Notwithstanding General Regulation 2.7 exhibits in this section may be entered in any class or classes for which they are eligible.

### STABLING

103. Exhibits shall be placed where directed by the Society and where a stall or box is allotted the exhibit shall be in occupation of such stall in accordance with instructions to be issued by the Society from time to time.

The upper door of the horse box outside pavilions shall remain open at all times during which the Show is open to the public. A stabling fee of \$16 per night (incl. GST) will apply for each exhibit entered and the exhibitor will be billed according to allocations. A bedding fee of \$36.30 (incl. GST) per stable will apply. A stable bond of \$25 per stable will apply, to be refunded **ONLY** after box is checked as being cleaned out by superintendent prior to departure. These monies will be forwarded after the completion of the Show. Please ensure you bring suitable equipment for mucking out and transport of waste to bins.

Local horses may not be provided with stables in the initial allocation, however, every endeavour will be made to accommodate these exhibits should withdrawals permit.

Accommodation shall not be provided for exhibits entered in miscellaneous classes only.

Alternative stabling is available at the Werribee Park Equestrian Centre, phone (03) 9741 7672.

**Exhibits arriving other than at the stated times, may have their stall or box re-allocated without notice.**

104. An Exhibitor and/or person in charge of an exhibit shall only stable a horse in a stable as directed by the Society.

Any Exhibitor and/or person in charge of an exhibit who fails to observe any such direction shall be guilty of a breach of the Society's Regulations and may be dealt with accordingly.

The Society shall also be entitled to move or direct the removal from the Showgrounds of any exhibit which is stabled contrary to the direction of the Society.

105. No Exhibitor, or person in charge of an exhibit, or other person, shall enter the stable of another exhibitor without the authority of such Exhibitor or the person in charge of an exhibit.

Any Exhibitor, person in charge of an exhibit, or other person who enters a stable without the authority above mentioned shall be guilty of a breach of the Society's Regulations and may be dealt with accordingly.

106. Exhibitors not entitled to accommodation may not bring transports or floats on to the Showgrounds. The vacant land between the western extremity of the Grounds and the V.R.C. "Hill Entrance" will be available on each day of the Show for the unloading of exhibits for which accommodation has not been allotted or which are not entitled to accommodation. Vehicles used for the transportation of such exhibits may be parked in this area for the day and the exhibits led into the grounds. Entry tickets may be purchased at the gate for exhibitors entitled to use this area.

**Exhibitors attending the Show on a day basis are requested to parade where possible and should marshal in the Western Area as directed by the Horse Superintendent.**

**\*Exhibitors in Sections where accommodation is available (except Clydesdales) may, on application, be permitted to bring in their exhibits on a daily basis. The Society may in its sole discretion accept or reject such application without assigning any reason for its decision and without giving the exhibitor concerned or any other person the right to be heard on this question.**

**Notwithstanding the foregoing, exhibitors should note that in Sections where Champion Prizes are awarded, the best of each sex will not be required to stay for the duration of the Show.**

### STANDARD OF EXHIBITS

In this regard the decision of a Veterinary Surgeon appointed by the Society shall be final and shall not be open to question in any proceeding.

108. Exhibits which in the opinion of the Society are not in reasonable show condition or standard shall not compete in the classes entered for and may at the direction of the Society be removed from the Showgrounds without refund of entry fee.

109. Exhibitors should note that the General Regulations contain a number of provisions relevant to the exhibition of horses and this Schedule including, without limitation, veterinary inspections, the health of exhibits, offences, penalties and appeals. As those conditions apply in addition to the foregoing conditions, exhibitors should make themselves familiar with their terms.

### QUALIFYING COMPETITIONS

- Any Gymkhana affiliated with the Equestrian Federation of Australia (Victorian Branch Inc.) and each Country Show Society affiliated with the Victorian Agricultural Societies Association is invited to co-operate in qualifying competitions for these trophies, by providing annually riding competitions for competitors 12 YEARS AND UNDER 15 YEARS OF AGE on the day of its show.
- Each Society conducting qualifying competitions is required to notify the RAS of the names and addresses of the winners and "runners-up", so that if it is found that, for any reason, the winners were ineligible, an opportunity may be given to the "runners-up" to compete in the Championship Competitions.
- Such competitions to be named "The Good Hands Qualifying Riding Competitions", and the RAS to provide suitable certificates for presentation to the winners.
- The holder of an RAS Qualifying Certificate, won in the same year, shall not be eligible to compete.
- (a) The competitors shall be judged solely on their riding ability - mount, saddlery or costume will not be taken into account, but special attention will be paid to hands and seat, general management and control of the horse or pony.  
 (b) Competitors must ride using an ordinary snaffle, single jointed in the centre, the mouthpiece must be smooth and of the one metal, with or without a cavesson noseband. A gear check may take place. Please note: straight bar snaffle and drop nosebands are not allowed.

### CHAMPIONSHIP COMPETITION

- Only holders of 2004 qualifying certificates will be eligible to compete for the Challenge Trophies at The 2004 Royal Melbourne Show. No entry fee will be charged. Good Hands qualifying certificate must accompany entry form.
- (a) The Championship Competition shall be judged on the same basis as the qualifying competitions, but the Judge, before finally making his or her award, shall require his or her six finalists to execute a figure 8 at a canter, ride away from the Judge, return at a slow canter, stop at the Judge's signal and back.  
 (b) Equipment used must be as for the Qualifying Competition as specified in 5 (b) above.
- The names of the winners will be engraved on the Challenge Trophies.
- Suitably inscribed Championship Sashes will be presented to each successive winner of the challenge Trophies.
- The winners of the Challenge Trophies will be eligible to compete in future years, subject to age.
