NOTES ON WINE JUDGING

Exhibits are judged on a point score with a maximum of 20 points.

On the judging sheets this is divided into:

1. 3 points for colour and condition, often wines with poor colour are rejected for defects on both nose and palate;
2. 7 points for nose; and
3. 10 points for palate: a wine with an excellent nose may fall down on the palate due to excessive acidity or tannin defects. Conversely, some wines with only a fair nose may have excellent balance on the palate.

Medals are awarded for the following points:

18.5 – 20 = Gold Medal

17.0 – 18.4 = Silver Medal

15.5 – 16.9 = Bronze Medal

All exhibits are judged "on the blind". Judges do not handle the bottles.

In Melbourne, the judges are arranged into six panels, each consisting of three judges. The Chairman of Judges divides the classes to be judged between the panels. He also gives guidance, clarification and in the case of any disputes he will adjudicate.

Each class is set up and poured by associate judges and stewards. The judges assess the wines, allocate points and then medals are awarded. The points listed in the results section represent the total of the three judges' assessments.

Judges are generally selected from those who work in or are connected with the wine industry. Potential judges are recommended to the Royal Agricultural Society of Victoria Limited and are given experience as associate judges. New judges are selected from the best performers. No exhibitors can be Senior Judges.

The following definitions of the various wine types are offered for the guidance of exhibitors.

Bubbles should be fine and persistent.

SPARKLING RED

Colour should be light to medium ruby. Older wines may show a trace of amber but not more than a trace. Bouquet fruity but should show bottle age. Fairly pronounced acidity. Full flavour and body, some sweetness but with a dry finish. May show slight oak character. Bubbles should be fine and persistent.

TWO YEAR OLD BRANDY

Entries in this class should be representative of popular commercial brandies, but should avoid fruitiness. The brandy should be well balanced distillate of wine made from neutral grape varieties. It should avoid excessive heads or tails and should not show varietal character (e.g. Muscat). It should be smooth but without evident sweetness. A clear balance bouquet is essential. Colour light amber.

OLD BRANDY

Colour may be somewhat darker than in the young brandy class. Well matured oak should be distinguishable on both bouquet and flavour. Bouquet should be clean and somewhat ethereal but well balanced showing no particular constituent to excess. Flavour should be full smooth and aromatic. Finish aromatic without trace of fusel oil. No varietal character or fruitiness should be evident. Some slight sweetness is acceptable.

Our Ref:

MESSAGE FROM THE PREMIER OF VICTORIA

Victoria can be justly proud of its reputation for producing some of the finest wines in the country. With around 568 wineries in 22 distinct regions - from the cool-climate varieties of the Mornington Peninsula to the big reds of Rutherglen - the Victorian wine industry is a true success story.

Winery tourism is worth \$412 million a year to the State's economy and our wine exports to the USA alone have doubled in the past three years to over \$133 million. The industry is a vital part of our regional economy and will continue to go from strength to strength.

While we should all be proud of these achievements, the success story here in Victoria is being echoed across the country. The Royal Melbourne Wine Show is a unique opportunity to recognise and reward the nation's best wines and wine producers. It was first conducted with 13 entries by the Royal Agricultural Society of Victoria in 1884 and is now the largest and most prestigious wine show in the country - offering the nation's most prized wine award, the Jimmy Watson Memorial Trophy.

The Royal Melbourne Wine Show is a wonderful opportunity to showcase the very best wines that Australia offers and celebrate a national industry that generates a staggering \$2.3 billion annually. It is especially fitting that this pre-eminent event is held in Melbourne - Victoria's capital and Australia's premier 'wine city'.

Melbourne is the only Australian city chosen to be a member of the Great Wine Capitals Global Network, along with Bilbao, Bordeaux, Florence, San Francisco, Cape Town, Porto, Florence and Santiago. Melbourne will be hosting the Great Wine Capitals Annual Assembly in November when over 100 delegates are expected to visit Victoria and experience what we have to offer.

The Victorian Government is committed to supporting the future growth of our world-class wine industry and I personally commend everyone involved for their hard work and professionalism.

I congratulate Blackjack Wines Pty Ltd on winning the 2004 Premier of Victoria's Gold Trophy for the best Victorian red wine in 2004 with their 2002 Blackjack Block 6 Shiraz.

HON STEVE BRACKS MP
Premier of Victoria

Class 13 - DRY WHITE - Chardonnay.

The judging panels were extremely disappointed with the high percentage of poor sample preparation in this class. The judges are very supportive of assessing these wines as an indication of the wines potential, and hence giving the exhibitor the opportunity to observe how their wines perform amongst its peers. However, it is a waste of time for the judges if the wine is grossly out of condition as was the case in at least 10% of all exhibits. To assess the wines potential and give the necessary feedback the exhibitor needs to present their wine in a bright condition, otherwise the feedback has reduced significance. The judges are hopeful that the poor level of performance of the exhibits is not indicative of the attention being paid to Chardonnay in the winery.

Too much oak, or too much lees – few wines show a balance of the two. Interesting contrast of regional styles.

Class 34 - DRY RED - Shiraz.

As expected a very strong class with a range of excellent styles. Pleasing to see a low number of faults. Use of oak is under much better control, especially use of French oak.

AGED WINES- 1999 VINTAGE AND OLDER

Class 42 - DRY RED

Some generous ripe flavoured wines, few with excess oak. Nice to see some lovely bottled aged wines. A few faulty wines, especially brett.

SPARKLING WINE SECTION

Class 63 - SPARKLING WHITE

2001 Vintage and younger or younger than 24 months (average age) for NV wines.

Many wines are vintage styles that lack sufficient yeast age complexity. Several wines too sweet, out of balance. Best wines show complexity, flavours and balance.

REGULATIONS RELATIVE TO WOODCHOPPING CONTESTS

(The Woodchopping Contests are registered with the Central Victorian Axemen's Association Inc. and held under the guidance of Australian Axemen's Association Inc. Rules).

CONDITIONS

101. The rules appearing in this Schedule form part of the Regulations and conditions of entry to an Event at the Show. In the event of any inconsistency between the Regulations and these rules, the Regulations shall prevail to the extent of the inconsistency unless the Regulations provide otherwise.

102. Scratchings must be notified to the Woodchop Handicapper by 5 p.m. on the day prior to the event. Competitors not notifying scratchings will be fined \$50.

103. The logs and billets will be any variety of timber and any length approved by the Stewards in their absolute discretion. The diameter of all logs will be as uniform as possible.

104. ALL COMPETITORS must state on the entry form their last win and handicap and a list of their last five performances anywhere, irrespective of Association or State, together with the name of the backmarker. An entry will definitely not be accepted unless the last win and the last five performances for each class of event entered, are stated on the back of the entry form. This applies to ALL Australian and New Zealand competitors.

105. The contest will be chopped in heats and a final, according to the number of entries.

106. All logs and billets will be numbered, and will be drawn for by the Stewards.

107. The first and second competitors in each heat unless otherwise stated, shall compete in the semi-final or final. At the absolute discretion of the Stewards, when there are two semi-finals, they may take one, two or three placegetters to start in the final.

108. No competitor will be allowed to make any axe marks on his log or to the foot holes or dog holes before his handicap starting time as allotted by the Handicapper.

109. No persons, other than competitors and officials, will be allowed in the arena during the contest.

110. Axes must entirely sever logs in two parts; competitors who sever logs with the aid of pushing or pulling will be automatically disqualified.

111. Competitors must be at their places prior to the advertised time of starting. Events will be commenced at their advertised starting time notwithstanding the absence of any competitor.

112. Each competitor shall wear long white trousers, white boots or shoes and a singlet or shirt which must be of a colour considered by the Steward-In-Chief to be appropriate to the State in which he resides or appropriate to the particular event in which the competitor is competing.

A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show. Competitors in finals should not leave the arena between end of final and presentation of awards and they must remain in the same uniform.

No advertising matter of any kind shall be displayed or be visible on the wearing apparel of any competitor, without prior approval of the Steward-In-Chief, except that the insignia or Coat-Of-Arms for Countries, States or Association Show Societies, Clubs or other bodies may be worn on the singlet or shirt front subject to the prior approval of the Steward-In-Chief.

113. In any Association or Club teams race, the Association or Club uniform coloured singlets are to be worn.

114. Any axeman who holds the right to compete in novice events, forfeits the right to compete in a novice of the particular event when he/she has won a single handed open handicap event anywhere in Australia. This rule applies Australia wide and is irrespective of prize money. A competitor who claims to be a novice may be required by the Steward-in-Chief to make a statutory declaration to this effect.

115. The Society may appoint a Disputes Committee for the Wood Chopping Contests and any decision of this Committee shall be final in all respects whatsoever save only for any decisions or directions of the Society. No decisions, directions or determinations made by the Disputes Committee, or the Society for the purposes of the Wood Chopping Contests shall be called into question in any manner or in any proceedings whatsoever.

116. Competitors must use clamps as supplied by the Society in all Standing Block Events.

117. A Competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Society reserves the right to re-handicap a competitor before an event has commenced.

118. Every care must be exercised to keep axes and saws covered. Axes and saws MUST NOT be carried among the general public unless so covered. Competitors should note the terms of rules 10.1 and 10.2 of the General Regulations. **All axes shall have a pin (minimum size 3mm) placed through the axe as near as possible to the centre of the handle area.**

119. Logs situated in a reserved area adjacent to the Dressing Room will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the main arena.

120. In the Underhand events all axemen must finish on their logs.

121. In a Tree Felling event any axeman chopping in a previously cut board hole will be automatically disqualified.

122. Under no circumstances are axemen permitted to enter the Log Enclosure without the permission of the Log Steward.

123. In all sawing contests saw cuts shall be started as close as possible to the front end of the log and shall not be more than 100mm in from the edge of the top side. Oil may be used on the saw immediately prior to the commencement of the contest. In sawing contests the saw must saw through the log from one side only.

124. In sawing contests the wedger shall stand behind the log and if any wedger in any way touches or guides a saw or touches or guides that portion of the log which is being cut off, the competitor or team concerned shall be automatically disqualified. The wedger's wearing apparel must conform with regulation 112.

Definition: "Behind the log" in this regulation shall be interpreted to mean the opposite end of the log to the saw cut.

125. In the 400mm diameter butchers blocks one member of each team shall open a scarf and cut the log approximately half way through, the first cutting member of the team on ceasing to cut shall retire to his neutral area and visually indicate to his partner, in a manner prescribed by Stewards, that the other team member is to complete the cut by opening a scarf on the opposite side of the log. The wedger's wearing apparel must conform with regulation 112.

126. Save only as provided in regulation 115, any decision of a Steward with respect to any matter related to the Woodchopping Contests shall be final and any regulations, conditions, rules or guidelines, which may be expressed to apply to the Woodchopping Contests shall in no way be construed as limiting the discretion of the Stewards to conduct the Contests in such manner as they think fit.

127. Inscribed Sashes and Ribbons, presented by the Society will be awarded to the first, second and third prize winners of events Nos. 1 to 43 inclusive.

128. Woodchopping contest times and dates will be announced in the Catalogue.
